**CIRCULAR**

Dear Sir/Madam,

NanoFar is an Erasmus Mundus Joint Doctorate programme coordinated by the University of Angers involving the University of Nantes, France, and the University of Nottingham, UK which are our partner institutions. NanoFar is a three-year Ph.D thesis, co-supervised by partners in two different countries and including a one-year mobility period in a partner country. It aims to train the best students in the field of Nanomedicine at the doctoral level.

The deadline for receipt of applications is 4<sup>th</sup> February 2012.
