In our standard of research

**TRAINING**

Wireless courses designed to fit

**ACHIEVEMENTS**

Signing of MoUs, Paper

## **Internship Details:**

Mode : Offline Hands-on Training (Theory & Practical Sessions)  
Batch Size : 40  
Duration : 2 Weeks ( 18 Hrs. Theory & 12 Hrs. Practicals )  
Fee Details : Rs. 3540 /- (inclusive of GST)  
Tentative Dates : July / August / September 2024

Internship Certificates will be provided on successful completion of training.

## **Conditions:**

Interested students have to register for the internship using the google form link <https://forms.gle/MEregdKCRLujhGgY8> or the QR Code at the earliest.  
The participant has to upload college ID Card / work place ID Card in the form.

Payment must be made through Demand Draft drawn in favour of

**“THE DIRECTOR, CSRC, ANNA UNIVERSITY, CH-25”**

The Registration Form and DD to be posted to:

**“The Director, Center for Wireless System Design,  
Department of ECE, College of Engineering Guindy,  
Anna University, Chennai - 600025”**

Fees does not include Lunch.

Accommodation at Anna University Campus available at additional charges, on prior request.

### **About C-WiSD:**

The Centre for Wireless System Design (C-WiSD), established as an autonomous centre of Anna University, at CEG Campus, aims to leverage the expertise available in the University in the areas of Baseband and Signal Processing, RF and Microwave Design, Hardware Design, Fabrication and Testing, and Machine Learning towards building Wireless Systems to cater to the needs of the society and the industry requirements. The centre envisions to grow as a knowledge hub that addresses the needs of upskilling the academic community in the domain of Wireless System Design and strive to be a benchmark in research, innovation, design, development, deployment and dissemination of knowledge in Wireless System Design through effective collaboration and good practices.

#### AU-COORDINATORS:

Dr. M. Meenakshi, Director, C-WiSD, AU

Dr. N. Ramadass, Deputy Director, C-WiSD, AU

### **About BSNL - RGM TTC:**

Rajiv Gandhi Memorial Telecom Training Centre(RGM TTC) is one of the Apex Training Center of BHARAT SANCHAR NIGAM LIMITED (BSNL). Apart from training for BSNL officials, RGM TTC extends its support to socially weak people to level up their skills. When BSNL was formed in October 2000, the training center also came under the fold of the BSNL. With the liberalization and convergence paradigms, RGM TTC is ready and equipped for its competitive role when the training demands expand and reshape along with the explosive growth of Telecom and IT sector. The strength of RGM TTC lies in its rich and sprawling campus, robust material infrastructure, and exceptionally talented, trained, qualified and highly motivated human resource pool. Well qualified, trained and experienced officers are posted as faculty to impart knowledge & skill.

#### BSNL-COORDINATORS:

Mr. V.Sakthivel, Principal, BSNL, RGM TTC

Ms. Jincy Achamma Jose, SDE, BSNL, RGM TTC
