Program Committee

**PATRON**
Dr. M. Rajaram
Vice Chancellor,
Anna University

**CHAIRMAN**
Dr. S. Ganesan
Registrar i/c,
Anna University.

**CONVENER**
Dr. B. Vinayagasundaram
HOD i/c, Dept. of IT,
MIT Campus,
Anna University

**CO-CHAIRMAN**
Dr. S. Thamarai Selvi
Dean, MIT Campus,
Anna University.

**TECHNICAL CHAIR**
Dr. Dhananjay Kumar
Associate Professor
MIT Campus,
Anna University.

**PROGRAM CHAIR - I**
Dr. Ruppa K. Tulasiram
Associate Professor
University of Manitoba
Canada

FOURTH INTERNATIONAL CONFERENCE ON RECENT TRENDS IN INFORMATION TECHNOLOGY

ICRTIT-2014
April 10-12, 2014

Organized by
Department of Information Technology
Madras Institute of Technology
Anna University, Chennai, India
and
IEEE

About Anna University Chennai

Anna University was established on 4th September, 1978 as a unitary type of University. Its constituent colleges are College of Engineering Guindy, Madras Institute of Technology, Alagappa College of Technology and the School of Architecture and Planning. It offers higher education in Engineering, Technology and allied Sciences that are relevant to the present needs of the society. Anna University successfully launched university micro-satellite ‘ANUSAT’ sponsored by ISRO which was functional for three year period (2009 – 2012).

About Madras Institute of Technology

Madras Institute of Technology is a pioneer institute, established by the great visionary and industrialist Shri C.Rajam on 18th July, 1949. The education in this institute is application oriented, thereby helping the students make a smooth transition from college to the industrial world. MIT campus of Anna University offers higher education with the objective of devising and implementing programs of education in engineering and technology, constituting a blend of the conventional and unconventional career courses in UG, PG & Ph.D levels that are relevant to the current and projected need of society. This is reflected in the profile of the vast number of MIT alumni occupying key positions in various MNCs and Research Organizations all across the globe. Shri Dr. A.P.J. Abdul Kalam, our formal President of India is an illustrious alumnus of MIT.

About the Information Technology Department

The Department of Information Technology was established in the year 2000 with the objective of imparting knowledge towards cutting-edge technologies in Information Technology and Computer Science. The facilities in the department are continually updated with the changing industrial trends. The department has well equipped laboratories with facilities that are vital to train the students in state-of-art technologies. IT department has received funding from:

(i) DST - FIST scheme for setting up Sensor Network and Cloud Computing lab
(ii) DST - NRDMS for the project titled “Complex Event Processing in Sensor Networks”
(iii) UGC-DRS-SAP research grant for Mobile and Pervasive Computing
(iv) UGC major research grant for the project “Video streaming in 3G wireless networks for Telemedicine Application”
(v) UGC-BSR grant for Infrastructure Development. This department organizes several workshops, Seminars and Faculty Development Programs for the benefit of the society.

About ICRTIT Conference:

Rapid developments in the area of Information Technology in the past years led to unprecedented increase in the number of people using these technologies and also the interest in research and development. ICRTIT 2014 aims to bring together innovative academics researchers and industrial experts in the field of Information Technology, Computer Science and Communications and allied fields to common forum for a constructive dialog on theoretical concepts and practical ideas. Practicing engineers and technologists, scientists from R&D institutes, faculty members of engineering colleges, research scholars, post graduate students are expected to participate in this conference. This conference venue is located at Madras Institute of Technology campus of Anna University, Chennai Tamil Nadu, India. This conference is technically and financially cosponsored by IEEE Madras Section. The selected papers will appear in IEEE Xplore.

Note:
The papers can be submitted through the following link https://www.easychair.org/conferences/?conf=icrtit2014 and send a copy to icrtit2014@gmail.com. Submitted papers must be original and unpublished.

Workshops:
- Cyber security by Dr. N. Srinivasan, Net App, Bangalore, India.
- Big Data Analytics by Mr. Naren Krishnan, IBM, Chennai, India.
- Cloud Computing by CDAC, Chennai.

Mode of Payment

All payments are to be made by Demand Draft/Bankers Cheque drawn in favor of “ICRTIT”, payable at Chennai. Payments from abroad can be made by Bank Transfer. Particulars for bank transfer are as follows:

Bank : Indian Bank, Radha Nagar, Chromepet
