Then the volunteers moved to Red Building where all the students from all 4 campus of Anna University join together and saluted the flag, hoisted by **VICE CHANCELLER M.K Surappa**. The event counted with the speech of chief guest ,cultural event from all the 4 campus was conducted Best volunteers of YRC, NCC & NSS received medals & certificates for their excellence .The function came to an end with National Anthem after the sweets were distributed among the students .All were happy & gay on this pious occasion.

### 3) Inauguration

Date: Aug 17,2019

Place: CEG's It Auditorium

Organized By: YRC of CEG & Yuva Shakthi

This event was organized to welcome the budding YRC volunteers of all 4 campus. Dr. B. Kumar Romer Co-ordinator of YRC, Anna University started the event by lighting of lamp & followed by guest talk. After a small refreshing break the event continued with general quiz conducted by Yuva Shakthi members. Volunteers from all the 4 campus participated in the quiz & cracked service levels & finally YRC volunteers of **AC Tech won the 1<sup>st</sup> place**. The winners were awarded certificates & prizes. The event ended with national Anthem.

#### **4) Kuruthi (Blood Camp)**

Date: Sep 4,2019

Place: Textile Building

Guided By: Co-ordinator Mam\_

Organized by: 2<sup>nd</sup> years

## **Our Motto” health, Services & friendship”.**

Blood donation is the greatest donation & a noble step in the service of humanity willing students & Staffs were requested to register their names. The level of haemoglobin was tested by doctors and then the eligible volunteers were allowed to donate blood. The doctors of Cancer Institute, Adayar collected blood. Donors were given biscuits & juice. To appreciate their service to humanity every donor were given certificate & advised not to donate blood for next 6 months. On the one unit blood was collected.

## **5)Cleaning & Plantation**

Date: Oct 1 ,2019

Place: AC Tech campus

Guided by: Co-ordinator Mam\_

Organized By: 2<sup>nd</sup> years

Every year YRC volunteers works to promote greenery around

our campus. YRC volunteers were divided into several groups & each group consist of 5 juniors & 2 seniors to work together. The campus was first cleaned all around & weeds were removed. Then students were planted saplings in the college premises. We have planted various types of plants. To make the quadrangle delightful coloured flowering plants were planted. In car parking to refresh the air from harmful fuel pollutant, neem trees were planted. Near canteen & others places in the premise edible fruit trees like *guava* & *mango trees* were planted. To maintain college premise clean dustbins were placed near canteen & quadrangle.

## 6) Meet

Time: weekly twice (4.30 pm)

Place: AC Tech Main Building

Organised By: 2<sup>nd</sup> years

After the semester exams to refresh the red tags from their stress, a small event was conducted to bring out their innovative skills. In this event the students were provided with different variety of leaves & tooth picks and were asked to make innovative ideas out

of it. Many volunteers came out with different models & best were awarded prize and all participants were given chocolates, and many several activity were conducted to make them free from stress. And this event made the students to mingle with other department students..

# drawn by the students .

# made by freshers.

**YOUTH RED CROSS**  
**2021 -2022**  
**YEARLY ACTIVITIES SUMMARY REPORT**

## **YRC SUMMARY 2021-2022**

### **1. OPEN CALL:**

Open call for the freshers happened in online mode through Microsoft teams due to the prevailing pandemic. After the reopening of regular college, students were called in for a direct meet for a brief introduction of themselves and about our organization and our motto.

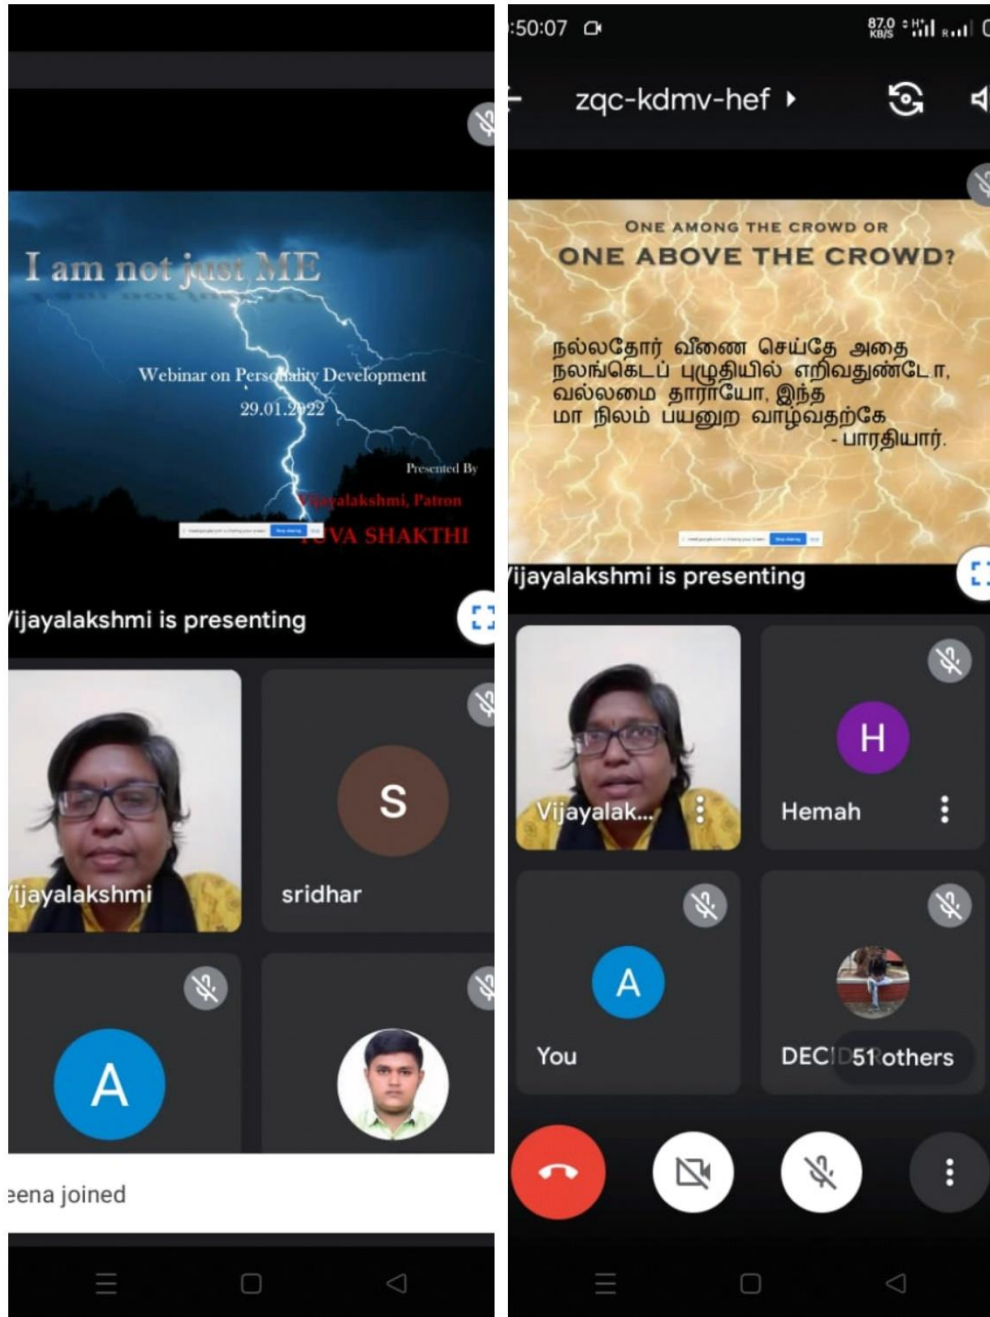

### **2. YRC SOCIAL DEBATE (07.11.2021)**

To encourage crowd speaking and uplift social understandings, debate based on the current social needs has been planned for our

YRC students. Members has been divided into two teams. Topic was regarding the restrictions imposed on every girl in an Indian household. Team 1 was on the take that it was because boys or males and team 2 was against this decision. Both teams put forth valuable points and after brief discussion final results was made and ways to overcome was also discussed. Debate on school life and college life was kept in common to improve interaction between our members.

### **3. WEBINAR ON AM I JUST NOT ME (29.01.2022)**

This webinar was an eye opener for students helping them to improve themselves in terms of soft skills. Soft skills and their importance in gaining a job was discussed with students. It addressed the basic skills which everyone requires for survival in our fast-moving professional world. Punctuality, Time management, Team work, Adaptability, Flexibility on work place and members were few of topics covered. The lively examples incorporating real life and job environment were truly helping to enlighten our minds. Doubts clearing along with feedback session was held at the later end of the event. Students interacted of the toughness, they have and was envisioned with solutions for their problems.

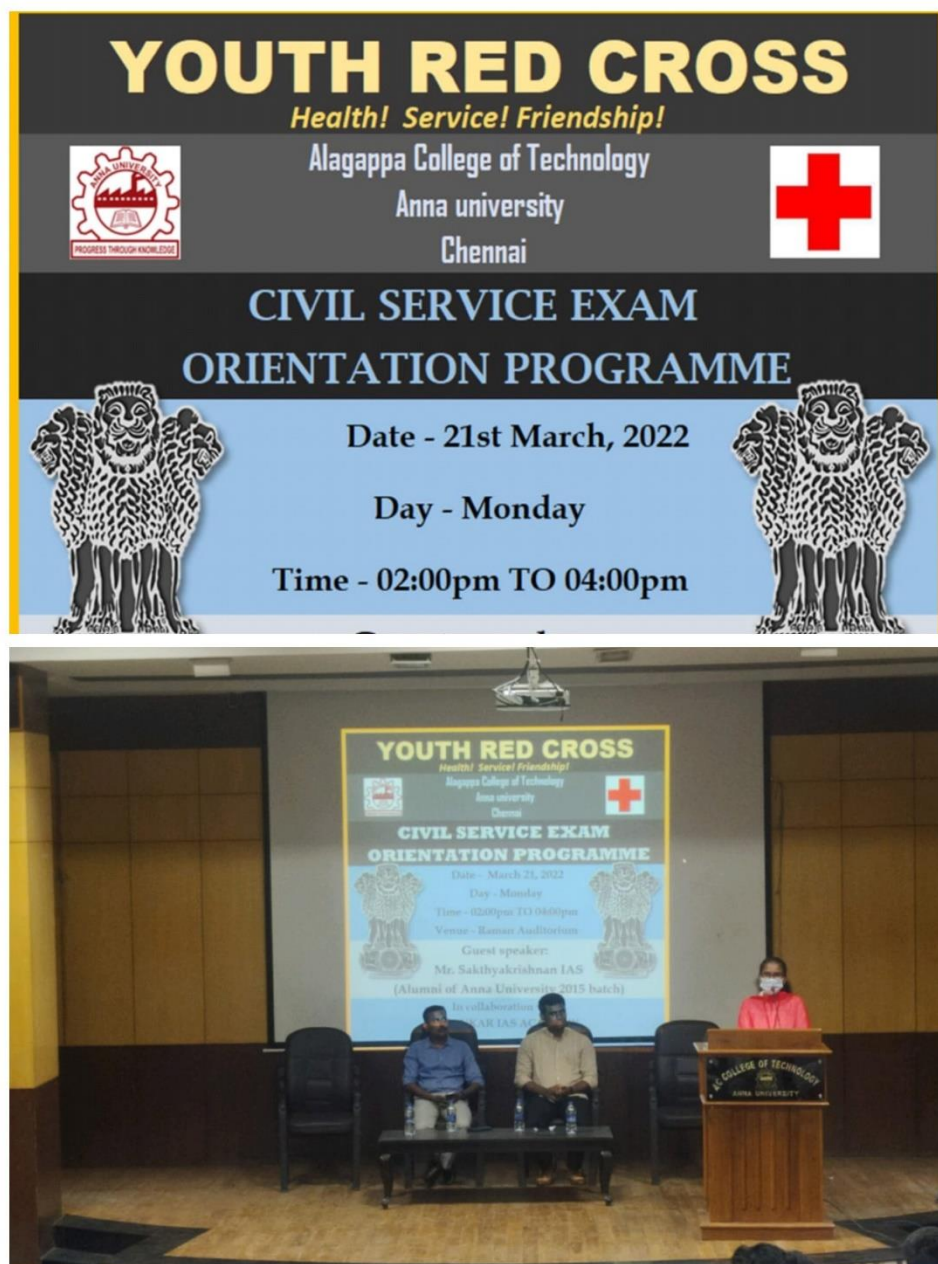

#### 4. CIVIL SERVICE EXAMINATION ORIENTATION PROGRAMMEE (21.3.2022)

The programme has been planned in association with Shankar's IAS academy to inculcate a basic understanding and to help students how to make themselves to take UPSC exam. Mr. Satya Krishna IAS, one of our notable alumni of 2015 batch was our guest speaker. It was held in Raman auditorium. The speaker discussed on the difficulties and the way of overcoming them and helping to propagate strategies

for clearing competitive exams. Talks with students regarding the difference of hard work and smart work in respect to civil service exams was the highlighting part of the event.

## 5. PLANTATION AND CLEANING (08.04.2022):

This event has been a regular event conducted yearly by YRC members. The entire ACT campus has been cleaned by our members and plant saplings purchased, was provided and planted in possible locations all-round the campus. Saplings of different fruit and flower

variety was bought. Few members brought saplings with medicinal value from their places. A short session on importance of planting and the help for future generation was discussed prior to planting. Sanitary and safety precautions was properly arranged to the volunteers along with refreshments. The saplings are regularly watered and maintained by our members. The event will be held in UTC complex every consecutive week.

## 6. TAMIL EVENT (30.04.2022)

The event is a trademark event for YRC. Every year to honour and celebrate for mother language “Tamil”, an event is scheduled in our campus. The title for this year was “moova tamile muthtamila”. It was conducted in collaboration with yuva Sakthi foundation on 30<sup>th</sup> April in Raman auditorium. Ms. Anugraha Adhi Bhagavan was called as the chief guest for this event and she delivered an inspiring talk on the importance of Tamil. Quiz, cultural performance, debate on possibility of widespread on Tamil all around the world and speech on the introduction of Tamil into internet and all possible social mediums was planned and performed by our YRC members. Best performers were honoured in valedictory function.

## 7. INDEPENDENCE DAY (15.8.2022)

2022 has marked our 75<sup>th</sup> year of our independence. The celebration has been planned and executed in a step higher compared to previous years to mark the platinum jubilee. Students from CEG, ACT, SAP, MIT has joined together for the celebration and the best volunteers from each organization, including YRC has been honoured by vice chancellor of Anna university. Vice chancellor addressed the young minds through a valuable note about the valiant work from our historical leaders and hoisted the national flag in red building. Sweets were distributed to all the students

## 8. BLOOD CAMP (24.11.2022):

Blood camp has been one of our trademark events for YRC. This blood camp was named as **KURUTHI**, indicating blood. This was arranged in collaboration with Adyar cancer institute blood camp. The camp details have been shared through all modes of social media, posters, word of mouth, banners, personal invites to every department of our Anna University Guindy campus. There was a

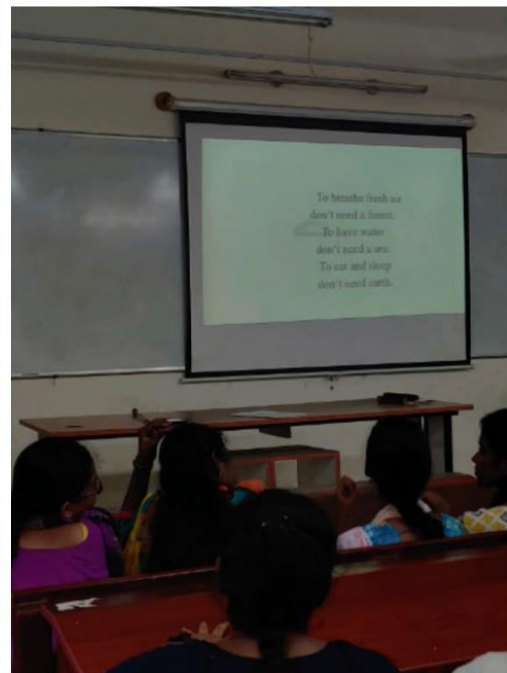

great turn in numbers. Our members along with professionals from cancer institute has arranged and devised the safety precautions for the ease completion of the camp. Nearly 130 members of various age groups have visited our camp, after proper screening of blood count almost 35 members donated blood, providing valuable contribution to the society. Donors was kept under supervision for 20 minutes to take care of their vitals Certificates have been provided to the donors along with refreshments.

## 9. WEEKLY YRC MEETS

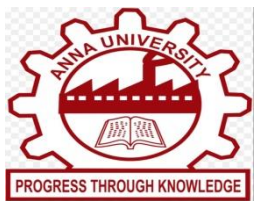

Every week an offline meet was conducted to discuss on the works which has to be done and planning for events. The stage is provided

to each member to show case their prevailing talents, overcome fear of interaction, improve their skills. Presentations, fun group tasks, quiz, talent show are some features of these meets. These events have helped many students to stage their talent and take part in various competition and brought laurels to our organization.

# **YOUTH RED CROSS**
