Ref. No. R/351/PR30/2021

DATE: 24.12.2021

Sub: Precautionary measures to overcome COVID pandemic – Reg.

All around the world, people are taking necessary steps to protect themselves and their families from the new coronavirus disease (COVID-19), to support their communities, and prevent the spread of the outbreak. In the above context, we are now in urge to create awareness among the students community about the precautionary measures to overcome the COVID pandemic. In this connection, **our Hon'ble Vice Chancellor** has made an awareness video about the **"Precautionary measures to overcome COVID pandemic"** and this video expounds the cause and measures to overcome with more scientific elucidations.

It is now requested to the Heads of all the Institutions for wide circulation of the video among the student community and the link of the same is provided below. This measure is now important to safeguard our staff and students.

www.annauniv.edu (VC Events / Gallery)

Hence, all the Heads of Institutions are requested to make arrangements for the students to watch the video.
