

S. Pavithrapriya

Senior Research Fellow at Centre for Climate Change and
Disaster Management (CCCDM)
Chennai, Tamil Nadu, India

Summary

Expertise in Agriculture and Climate Change, Crop modelling,
Vulnerability assessment

Experience

CCCDM

Senior Research Fellow

October 2017 - Present

Tamil Nadu Knowledge Management Cell for Climate Change

CCCDM

Junior Research Fellow

January 2015 - February 2016 (1 years 2 months)

Green house gas Inventories

Central Leather Research Institute

Project Assistant

April 2014 - December 2014 (8 months)

Tamil Nadu Agricultural University

Junior Research Fellow

August 2013 - December 2013 (5 months)

Tamil Nadu Agricultural University

Junior Research Fellow

October 2010 - August 2011 (11 months)

Education

CCCDM, CEG Campus, Anna University

Doctor of Philosophy (Ph.D.), Climate Change · (2015 - Present)

Climate change impact and vulnerability assessment on Agriculture in
Cauvery delta region of Tamil Nadu

Tamil Nadu Agricultural University, Coimbatore

Master of Science (Agri), Environmental Science (2011 - 2013)

Agricultural college and Research Institute, Madurai Bachelor of
Science, Agriculture (2006 - 2010)

Paper Presented: 5 (Conference/seminar)

Publication: 1
