CIRCULAR

The **University of Osaka** is offering a Japanese Government Scholarship for international students through its Graduate School of Engineering Science. The scholarship is connected with the Trans-Pacific Hub Graduate Program in Advanced Bio-Information Synergy, which is conducted in English. The University of Osaka is one of the top Public universities in Osaka City, Japan. **It is ranked #95 in QS World University Rankings.**

Scholarship benefits (excerpt)

- Students enrolled in Master's course : 147,000 yen / month.
- Students enrolled in PhD course : 148,000 yen / month.
- Tuition fee at the University of Osaka will be exempt.

The application period is from **2 November 2026 to 13 November 2026.**

Final-year undergraduate students may apply for the Master's program, and eligible postgraduate students may apply for the PhD program. Interested students should carefully review the eligibility requirements and application guidelines before applying.

For complete details regarding the program, eligibility, application procedure, and required documents, applicants should refer to the official University of Osaka website:
