## CIRCULAR

U.S. Consulate General, Chennai offers an exclusive program “**American Center Chennai Professional Enhancement Program – building the next generation of U.S.-India ties**”. This is part of a special Freedom 250 program series marking 250 years of American independence.

The program will be held from May 4 to June 12, 2026. This program offers you an exclusive opportunity to better understand U.S.-India diplomatic relations. This is a full-time, in-person program at the American Center, U.S. Consulate General, Chennai.

### Program Highlights:

- **Experiential Activities:** Engage in hands-on projects and real-world scenarios.
- **Master Classes:** Learn from American diplomats at the U.S. Consulate General Chennai.
- **Key Departments:** Gain insights into the U.S. Consulate General Chennai's critical areas, including, Public Diplomacy, American Spaces, Foreign Commercial Service, Management Section, U.S. India Educational Foundation, Political and Economic Section

### Why Apply?

- **Enhance Your Knowledge:** Develop a comprehensive understanding of U.S.-India relations.
- **Build Your Network:** Connect with professionals and peers.
- **Shape the Future:** Contribute to a more stable and prosperous international environment.

This is a competitive program and slots are limited. We will reach out only to candidates who have been shortlisted. Pro tip: don't use generative AI for your answers. Last date of application is **March 31, 2026.**
