CIRCULAR

ISAE-SUPAERO, France one of the world's leading institutes in aeronautics, is inviting applications for its Master of Science in Aerospace Engineering for the academic year 2020-21.

The program is designed to provide students with opportunities focused on theoretical knowledge and practical experience in aerospace engineering that will prepare them for the job markets or further doctoral study. The duration of the program is 2 years and it is fully taught in English.

The interested candidates can also apply for MBDA Program of Excellence for India scholarship offered by MBDA - a major European defence company, in association with the Embassy of France in India. It covers tuition fees and part of living expenses (8 000 €/year), one-way air ticket, visa and Etudes en France fee waiver, assistance with finding accommodation etc.

To apply for the Master or the scholarship program, please click the following web portal.
