CIRCULAR

McCall MacBain Scholarship offers funding to start a Master's or Professional degree at McGill University, Canada. The scholarship covers tuition and fees for the full normal duration of the Master's or professional program, a living stipend of \$2,000 CAD per month during academic terms, and a relocation grant for moving to Montréal. A fully funded Master's or second-entry professional undergraduate program at McGill University.

McGill's Faculty of Engineering offers a dynamic environment with an array of challenging opportunities for its graduate students in the following disciplines: Architecture, Bioengineering, Chemical Engineering, Civil Engineering, Electrical & Computer Engineering, Mechanical Engineering, Mining & Materials Engineering, and Urban Planning.

Applicants must meet the minimum degree and language requirements for McGill Master's program admission. Last date for submission of application is 25.08.2022.
