# Nanyang Technological University

Research Internship / Master's Degree / PhD Opportunity

18 Oct 2022

NTU is ranked amongst the top 20 universities globally by QS World Rankings, and was World's Number 1 Young University for seven consecutive years. With 33,000 undergraduate and graduate students, NTU is globally recognised for its leadership in engineering, business, science, technology, medicine, humanities, arts and social sciences, international relations, and education. Besides being reputed as one of the world's most beautiful campuses, NTU Smart Campus is a living testbed of tomorrow's technologies and a model of sustainability, with 61 Green Mark Platinum awards for its building projects. NTU is home to world-class institutes such as the National Institute of Education, S Rajaratnam School of International Studies, Earth Observatory of Singapore, and Singapore Centre for Environmental Life Sciences Engineering. Some of the world's leading companies including HP, Ali Baba, Rolls-Royce, Delta that have

corporate and joint labs on campus focused on accelerating the translation and commercialization of cutting-edge research and innovation. For more information about NTU, [please click here](#).

[India Connect @NTU \(IC@N\)](#) plays a leading role in fostering partnerships with Indian institutes of higher learning, industrial, and governmental organizations. It is responsible for collaborating with Indian universities for interdisciplinary and transformational research, in organizing joint symposia which are both thematic and discipline specific, short- as well as long-term faculty exchange, and joint research projects based on mutual interest.

NTU Singapore shall be visiting CEG on **18 Oct 2022 2.30PM** to talk more about

- [Summer Research Internship](#)
- [NTU Graduate Admissions](#)
  - Master (Coursework)
