Dr. Mustafa Bilgic's webinar on "**Active and Interpretable Classification**" will be held on 13th November 2020. Dr. Bilgic will talk about active and interpretable classification research that he and his team does at the Machine Learning Laboratory at Illinois Institute of Technology in Chicago. He will primarily focus on active learning, learning with rationales, interpretable machine learning, and active inference. Application domains include text classification, anomalous flight detection, and wireless sensor networks.

Faculty and students in the field of Computer Science, Data Science, Machine Learning, Artificial Intelligence, Computational Decision Science are requested to attend this webinar.
