ABOUT THE INSTITUTE

Madras Institute of Technology (MIT) was started in 1949 by Philanthropist Shri. C. Rajam with a vision to provide a strong technical base in various engineering disciplines for the independent India to compete at par with the international community. Merged with Anna University in the year 1978, MIT has played an important role in the growth and development of many sectors in the country by introducing several new specializations in the field of engineering. The institute is known for producing eminent scientists like Dr. APJ Abdul Kalam & Dr. K Sivan. This Institution is accredited by NAAC with A++ grade.

ABOUT THE DEPARTMENT

The Department of Instrumentation Engineering was established in the year 1949. The core strength of the Department is Process Control & Instrumentation. The Department has received generous funding support from DST-FIST, DST- PURSE, UGC-UPE, UGC-SAP-DRS-I, and TEQIP thereby established state-of-the-art Research Laboratories. The UG program offered by the Department has been accredited by NBA (Tier-I, Cycle-II) for 6 years of two consecutive terms.
