Dear Sir/Madam,

Greetings!!

Anna University and the Infosys Springboard, Infosys Limited have entered into a Memorandum of Understanding (MoU) on 28th March'23 to create an opportunity for the access of the rich repository of 12,300+ courses available at Infosys Springboard through online & also through Blended modes for effective Teaching & Learning process.

In this context, Anna University & Infosys Springboard are hereby initiating the platform for developing the digital skills of the faculty members and students of Anna University through online access of courses and through frequent trainings. Through this MOU, all the 480+ engineering institutes affiliated to Anna University can leverage the platform and access the content in domains of digital technology, engineering and life skill courses.

To understand the partnership and its benefits for all the institutions affiliated to Anna University, it is proposed to convene an Online meeting. The college **Dean/Principal** along with one faculty member who serve as SPoC Mentor for Student training & another faculty member who serve as SPoC Mentor for Faculty Training from your institution are invited to attend the **e-meeting on 12.06.2023, from 10:30 AM to 12:00 PM**.
