About VIT

Vellore Institute of Technology was founded in 1984 as Vellore Engineering College by Dr. G. Viswanathan, a former Parliamentarian and Minister in the Tamil Nadu government. The Deemed to be University status was conferred in June, 2001 by MHRD Govt. of India. Currently, VIT has eco-friendly campuses in Vellore, Chennai, Amaravathi and Bhopal. VIT attracts students from all the states and union territories of India and 60 different countries, owing to its academic excellence.

Vellore Institute of Technology (VIT) has emerged as one of the best institutes of India and is aspiring to become a global leader. Having fully committed to its Vision - "Transforming life through excellence in education and research", VIT focuses on Quality in teaching-learning, research and innovation, thereby making the institute distinct from others.

VIT is ranked 8th in University Category, 11th in Research Category, 11th in Engineering Category and 17th in Overall Category in 2023 NIRF Ranking published by the Ministry of Education, Govt. of India. National Assessment and Accreditation Council (NAAC) has accredited VIT with the highest grade A++ in 2021 (4th cycle).
Some of the significant achievements of the institution are:

- Ranked among the top 851-900 Universities of the world in QS World University Ranking 2024
- One of the top 3 institutions of India and within the top 601-700 Universities of the world as per Shanghai ARWU Ranking 2022
- Ranked within top 175 in Asia (QS - Asia University Rankings 2023)
- Engineering and Technology subject area of VIT are the 240th best in the world and seven subjects of VIT are ranked by QS World University Ranking by Subject 2023

About Anna University

Anna University was established on 4th September, 1978 as a unitary type of University. This University was named after Late Dr.C.N.Annadurai, former Chief Minister of Tamil Nadu. It offers higher education in Engineering, Technology, Architecture, and Applied Sciences relevant to the current and projected needs of society. Besides promoting research and disseminating knowledge gained therefrom, it fosters cooperation between the academic and industrial communities.

The University was formed by bringing together and integrating four well-known technical institutions in the city of Madras (now Chennai) namely,

- College of Engineering (CEG) (Established in 1794)
- Alagappa College of Technology (ACT) (Established in 1944)
- Madras Institute of Technology (MIT) (Established in 1949)
- School of Architecture & Planning (SAP) (Established in 1957)

Anna University is ranked 427th in the QS World University Ranking 2024. Also, ranked 13th in Engineering Category, 13th in Research Category, 14th in University Category, and 18th in Overall Category in 2023 NIRF Ranking published by the Ministry of Education, Govt. of India.

- Received the Clarivate India Research Citation Excellence Award (2021) for the highest citation among state Universities in India.
- Received the National Award for NSS (2022) from her Excellency the President of India
- District Green Champion Award (2022) from the Ministry of Education.

About the Workshop

Accreditation is a quality assurance process that enables Higher Education Institutes to assess their strengths, weaknesses, and opportunities through an informed review process. It helps the educational institutions to attain academic excellence by meeting the guidelines & standards set by accreditation granting agencies. Accreditation also provides a new sense of direction and identity for institutions and enables them to set goals for self-improvement. The key objective of this seminar is to create an awareness about NAAC Accreditation process and its benefits to the higher education institutions.

Topics to be covered

- NAAC Revised Accreditation Framework
- Student Satisfaction Survey and its significance
- Data Verification and Validation Process (DVV)
- Best Practices of A++ institutions
- Effective Documentation
- Discussion on challenges faced by HEIs while preparing for accreditation

Resource Persons

IQAC teams of Anna University and VIT
