About SCHOOL OF ARCHITECTURE AND PLANNING, ANNA UNIVERSITY, CHENNAI
The School of Architecture and Planning, Anna University, one of the premier institutions of the nation was initially established as a Department of Architecture of the University of Madras in the year 1957 and was located in the Alagappa College of Technology, offering a five year Bachelor Degree Course in Architecture with an intake of 120 seats. The Town and Country Planning PG Programme was started in the year 1964 to cater to needs of South India. The department was later renamed as the School of Architecture and Planning, and shifted to be an independent campus in the year 1968. The School has established a master degree course in Architecture - M.Arch in 1986 and other specialized courses- M.Arch(Digital) and M.Arch(Landscape) as self supporting courses from 2002. Besides, M.S. (by Research) and Ph.D. programmes are offered by the School since 1990’s.

About AICTE-AQIS STTP
All India Council for Technical Education (AICTE) was set up in November 1945 as a National-Level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner. And to ensure the same, as stipulated in the National Policy of Education (1986), AICTE was vested with: Short Term Training Program (STTP) intends to conduct faculty trainings through financial assistance from AICTE to enable faculty members in the field of technical education to introspect and learn techniques that can help prepare students for active and successful participants in a knowledge society.

IMPORTANT DATES
Call for Registration : 19th October 2020
Last date for Registration : 30th October 2020
Intimation of Acceptance for SLOT 1 : 06th November 2020
SLOT 2 : 19th November 2020
ABOUT THE PROGRAMME
Department of Architecture, School of Architecture and Planning, Anna University, Chennai is organizing a 6-day programme for Faculty members, Researchers, Professionals from Industry across the country. The training program will be conducted by professionals from TERI and renowned architects. This training leads to possibility of new project proposals in interdisciplinary area from faculty participants. The session covers various topics on sustainability, energy efficiency, performance evaluation etc., through presentations, group discussions, and simulation training on topics discussed. The research interactive talks, tool-based training sessions and group interactions will ignite the necessary inputs for infusing new start-up ideas to student community through the participants.

PROGRAMME OUTCOMES
Faculty participants will be equipped to share the advancements to students and shall polarize towards innovative projects on design as a tool for sustainability, green infrastructure, sustainability education and practice, concepts of sustainable development, at UG and PG levels. This training will be more impactful for the research prospects of faculty and research scholars.

WHO SHOULD ATTEND
Faculty from AICTE approved Architecture/Engineering colleges/Universities, Research scholars, Practicing Architects, Industry engineers in appropriate disciplines are eligible to apply.

SESSION SCHEDULE
Forenoon -10.30 am to 12.30 pm
Afternoon -02.00 pm to 04.00 pm

The programme has two sessions per day on all six days. The forenoon session comprises of theoretical topics on simulation training, group discussions and the afternoon session will have hands on experience on topics discussed.

TRAINING TOPICS
- Fundamentals of Sustainable Buildings
- Basics of Sustainable Site planning and Microclimate Analysis
- Energy Efficient buildings designed with simulation tools.
- Tools available for Performance Analysis.
- Use of dynamic software for Energy Demand Calculations.
- Integration of Daylight, Efficient Artificial Lighting and Visual Comfort Analysis
- Thermal comfort and Efficient Technologies
- Life Cycle Cost Analysis for green building measures
- Site visit and explanation by experts/Architects involved in the project.

EXPERTS
Eminent speakers from premier Research and Academic Institutions and Industry will conduct the sessions.

CERTIFICATE
E-Certificate will be awarded to participants with minimum 80% attendance and who have qualifies the test in the form of project as per AICTE norms.

REGISTRATION LINK
https://forms.gle/aYje4SEXFB9dRIAS7

NO REGISTRATION FEE
- Participants are welcomed to attend the STTP by nominating in any one of the slots through the registration link.
- Acceptance of registration will be on a first come first serve basis as there is limit of 60 participants per slot.
- The selected participants will be intimated to their registered mail id on mentioned dates.
