ANNA UNIVERSITY

CHENNAI

CONDUCTED BY
Department of Information Science and Technology,
College of Engineering,
Anna University, Chennai–25.

ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of technical University amalgamating four institutions: the College of Engineering Guindy, the A C College of Technology, the Madras Institute of Technology and the School of Architecture and Planning.

The College of Engineering Guindy, the main campus of the University, is one of the oldest technical institutions in India. The University offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities.

ABOUT THE DEPARTMENT

Department of Information Science and Technology is carved out of the Department of Computer Science and Engineering in May 2010. The Department functions under the Faculty of Information and Communication Engineering.

It offers undergraduate, postgraduate and research programmes in various disciplines of Information Technology, Multimedia Technology and Master of Computer Application Degree Programme.

TARGET AREAS

- SDN for IoT
- IoT - Edge Computing and Sustainability
- Machine Learning in IoT
- Image Processing in IoT
- Internet of Things (IoT) enabled smart Clean Energy Applications
