ORGANISING COMMITTEE

Chief Patron  
Dr. M. RAJARAM  
Hon’ble Vice Chancellor, Anna University, Chennai

Patron  
Dr. S. GANESAN  
Registrar, AU, Chennai

Chair  
Dr. T. SENTHIL KUMAR  
Dean i/c, BIT Campus

Co-chair  
Dr. K. RUCKMANI  
Prof & Head  
Director, CENTRE  
Dept. of Pharm. Tech., AU-BIT

Coordinator  
Dr. S. Latha & Dr. P. Selvamani  
Assistant Professor  
Dept. of Pharm. Tech., AU-BIT

Members  
Dr. A. Puratchikody  
Dr.N.Sudarsanam  
Dr.E.Sarangagopiyya  
Dr.R.Vijaya  
Ms.A.Shammugparthi  
Mrs.A.Unnamaheshwari  
Mr.R.Suriyakanth  
Dr.P.Senthil Selvan  
Mrs.K.Akilandeshwari  
Dr.K.Kavitha  
Dr.S.Lakshmanaprabhu  
Mrs.K.Vijayalakshmi  
Assistant Professors  
Dept. of Pharmaceutical Technology, Anna University, BIT Campus, Tiruchirappalli Tamil Nadu, Pin - 620024

CALL FOR SPEAKERS

We invite eminent speakers with proven research accomplishments / patents and honors from Abroad / India to deliver plenary lectures in the conference. At this moment we are unable to commit the reimbursement of your air travel expenses. Interested scholars are kindly requested to notify your willingness through email.

CALL FOR ABSTRACTS

Research articles are invited for oral / poster presentation. Abstracts limited to 300 words with one figure (compulsory) and or one table (Calibri font 12 pt size) would be published as book with ISBN. Full length research articles would be published as proceedings upon peer review with ISBN with a nominal publication fee for minimum of 6 pages.

INSTRUCTIONS

Filled in application along with registration fee in the form of D.D. for drawn in favour of “The Head of the Department of Pharmaceutical Technology” payable at Tiruchirappalli may be submitted in person or send by post / courier to Dr.S.Latha / Dr.P.Selvamani, on or before 20.09.2014. No TA/DA is admissible for participants. Working lunches and refreshments will be provided. Registration Fee: Students - Rs.1000/-, Faculty - Rs.2000/- Industry & Others - Rs.3000/-

www.annauniv.edu / www.aubit.edu.in
Tiruchirappalli (Trichy) is the third largest city, situated at the centre of Tamil Nadu. It is known for its ethnic heritage and is called the city of temples. Bharathidasan Institute of Technology (BIT) has been established as a technical institute under Anna University, Chennai by the Government of Tamil Nadu and recently awarded a Technical Education Quality Improvement Programme (TEQIP) grant. It is a publicly funded university college surrounded by agricultural lands and industries. It offers a variety of UG, PG and research programs for the more than 5000 students on the campus. The Institute develops partnerships with industries, research institutes, national labs and institutions of national importance to provide high quality education and opportunities leading to innovative skills for entrepreneurial development. The main objective of the institute is to generate a select group of highly creative professionals, who can contribute to the development of human resources and become leaders in nation-building. BIT has carved out a niche for itself in providing technical education with a high level of competence in those disciplines that are rare in our country. BIT offers 12 undergraduate and 15 postgraduate programmes in various disciplines of engineering and technology (B.E, B.Tech, M.E, M.Tech), M.S (by research) and PhD programme.

Our Department offers a unique B.Tech in Pharmaceutical Technology, M.Tech in Biopharmaceutical Technology, M.S. (by research) and PhD Programme in order to cater the technical human resource needed for the Pharmaceutical and Chemical Industries. The Department established a Centre for Excellence in Nanobio Translational Research (CENTRE) and excels in research activities through many centrally sponsored research projects to a tune of ~Rs 9.00 Crores.

The Department established “National Facility on Drug Development for Academic Institutions, Pharmaceutical and Allied industries” with the support of Department of Science and Technology, New Delhi with an array of State-of-the-art research facility including LC-MS-MS, FT-IR, HPLC, UPLC, HPTLC, Airway Mechanical Analyzer, Animal Anesthetizer, Multimode Reader, Inverted Fluorescent Microscope, Gel Electrophoresis and Gel Documentation system and many related small equipment.

Nano technology research is a highly versatile discipline finds many applications in medicine and pharmacy. Technological revolution constantly creates innovations. This conference is specially tailor made to the Educators and Researchers for enriching and enlightens with recent innovations, and future research dimensions on nano-biopharmaceutical technology. The spectrum of topics chosen to be delivered by eminent experts in the field would be beneficial to career aspirants, researchers and beginners.

**ANNA UNIVERSITY**
**BIT CAMPUS, TIRUCHIRAPPALLI**

**DEPARTMENT OF PHARMACEUTICAL TECHNOLOGY**

**INTERNATIONAL CONFERENCE ON INNOVATIONS AND FUTURE RESEARCH DIMENSIONS ON NANO-BIOPHARMACEUTICAL TECHNOLOGY**

**TARGET AUDIENCE**
Post-doctoral fellows, Research Associates, Research Scholars, PG students and Faculty members of Pharmaceutical Technology, Biotechnology, Nano technology, Chemical Engineering, Biomedical Engineering and other Science disciplines.

**ACCOMMODATION**
For outstation candidates, on request shared accommodation will be arranged in hostels / hotels on payment basis.
REGISTRATION FORM

Name: .........................................................................................................................................................

Designation: ....................................................................................................................................................

Department: ....................................................................................................................................................

Email id: ................................................................. Ph No: .................................................................

Institutional Address: ......................................................................................................................................

........................................................................................................................................................................

Title of presentation: ........................................................................................................................................

........................................................................................................................................................................

Participation □ Poster Presentation □ Oral Presentation □

(Please tick in appropriate box)

(Abstracts limited to 300 words with one figure or one table (compulsory) of Calibri font 12 size with authors affiliation and mail id should be included. Please italics the name of corresponding author)

(Full length research articles would be published as proceedings upon peer review with ISBN with a nominal publication fee for maximum of 6 pages)

Accommodation: Yes □ No □ Veg □ Non Veg □

(Accommodation is given only on payment basis)

Student & Scholar □ Faculty □ Others □

Community: ......................................................................................................................................................

Registration Details: DD Number.............................. Date.................................................................
