

ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978. At present, Anna University is an affiliating type of University with more than 500 Engineering Colleges affiliated to it. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the Academic and Industrial Communities.

ABOUT THE CENTRE

Ramanujan Computing Centre (RCC) is functioning as a technology provider to students, researchers and the teaching community to fulfill their computational, technological and internet requirements. RCC is the first of its kind in Tamilnadu to render services for the academic community belonging to colleges affiliated under Anna University.

Dr. J. Indumathi is currently the Director of the Centre. RCC renders Computational and Data Centric Services to the Academicians, Students and the Administrative Staff of the University. The center undertakes various consultancy projects for the Government of Tamilnadu for conducting single window counselling for admissions to the University departments and Affiliated Colleges.
