RECRUITMENT NOTICE FOR PROJECT ASSISTANT

Applications are invited from eligible and motivated candidates for the position of **Project Assistant** to work in the research project funded under the **Chief Minister's Research Grant (CMRG)** scheme.

Project Title: *Development of a Robust AEM-Based Electrolyzer with Cost-Effective Catalysts for Green Hydrogen Production* (**Project Number:** CMRG250161)
Position: Project Assistant **Monthly Salary:** ₹25,000 (Consolidated)
Project Duration: Three (3) Years

Eligibility:

Candidates possessing **M.Sc. / M.Tech / B.E / B.Tech in Nanotechnology, Chemistry, Chemical Engineering, Materials Science, Physics, Energy Engineering or related disciplines** are encouraged to apply. Candidates with research experience in **electrocatalysis, hydrogen production, electrochemical systems, or nanomaterials synthesis** will be given preference.

Nature of Work: The selected candidate will assist in the **development of AEM-based electrolyzer systems, synthesis of cost-effective catalysts, electrochemical characterization, data analysis, and preparation of technical reports and publications** related to the project.

Terms and Conditions:

1. The position is **purely temporary**
2. The appointment will be initially for **one year and extendable up to three years** based on satisfactory performance.
3. The selected candidate will receive a **consolidated salary of ₹25,000 per month.**
4. No TA/DA will be provided for attending the interview.

Application Procedure:

Interested candidates should send their detailed CV along with copies of educational certificates and relevant documents to the Principal Investigator through post /courier and email(rajasekar@aurcc.ac.in) within the 15 days from this Notice date. Shortlisted candidates will be informed regarding the **date and mode of interview.**

Principal Investigator

Dr. K. Rajasekar
Assistant Professor
