ABOUT THE UNIVERSITY:
Anna University is a Public State University located in Chennai, TamilNadu, India. It was originally established on 4th September 1978. The institution is a renowned Public Technical and Research University known for its high-quality Engineering and Technology programs.

ABOUT THE DEPARTMENT:
The Department of Information Science and Technology (DIST) is carved out of the Department of Computer Science and Engineering in May 2010. The Department of IST functions as one of the University Departments having academic autonomy with its own syllabus and curriculum. It offers undergraduate program in Information Technology and postgraduate programs in Information Technology, Information Technology with Specialization in AI & DS and Master of Computer Applications.

Dr. S. Swamynathan is currently the Head of the Department.

ABOUT THE FEP:
This Faculty Empowerment Programme aims to offer a platform for faculty members of the Affiliated institutions of Anna University to enhance their understanding on Distributed Computing. The program will delve into core topics in this domain, providing participants with valuable insights and practical knowledge. Join us to explore the intricacies of Distributed Computing and stay ahead in this rapidly evolving field.

COURSE COVERAGE
- Design Issues and Challenges: Distributed Systems.
- Clock Synchronization and Group Communication in Distributed Systems
- Distributed Mutual Exclusion and Deadlock Detection algorithms.
- Consensus, Failure recovery and Check Pointing.
- Virtualization and Load Balancing in Cloud.
- Hands on sessions on Cloud Services and Deployment Tools.
- E-Content and MOOCs.
