The Department of Civil was established in 2007 as part of the Anna University, BIT Campus, Tiruchirappalli. The Department today is recognized for teaching and for providing an outstanding research environment for staff and students. The Department provides professional training and at the same time to participate actively in applied and theoretical research. The department strives to instill in students the attitudes, values, vision and training that will prepare them for lifetimes of continued learning and leadership, to develop the ability and passion to work wisely, creatively, and effectively for the benefit of society; to generate new knowledge for the betterment of humankind and disseminate it universally; and to generate realistic and innovative solutions for the current and future technological needs.

ABOUT THE CONFERENCE

Conference on Civil and Environmental Engineering is a prestigious event virtually organized to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Civil and Environmental Engineering.

CONFERENCE: THEMES

- Building Design, Construction, and Operation
- Construction Engineering and Management
- Geographical Information Systems
- Roads and Railways
- Environment and Energy
- Environmental Engineering
- Environmental Protection
- Soil-Structure Interaction
- Water Resources Engineering

REGISTRATION FEE: NIL

VENUE: Google Meet

The online web link will be sent to the registered participants before the programme.

KEYNOTE SPEAKERS

Eminent speakers from industries and academia.
