About the University

Anna University is a world-class institution producing professionals with high technical knowledge, professional skills and ethical values and is a preferred partner to the industry and community for their economic and social development through excellence in teaching, research and consultancy. Anna University shall be recognized as a point of reference, a catalyst, a facilitator, a trendsetter and a leader in technical education.

About the Centre for Research

Centre for Research is functioning since the inception of Anna University on 4th September 1978, offering research programmes in different branches of Engineering, Technology, Architecture and Planning, Science & Humanities and Management Sciences leading to the award of Ph.D. degree. Faculty members are actively pursuing interdisciplinary and socially relevant research in thrust areas with state-of-the-art equipment in addition to teaching, consultancy and extension activities.

The Centre is looking after the recognition of Departments of various affiliated Engineering Colleges and Industrial Units/R&D centres to do research with this University. Around 5000 teaching staff/experts are recognized as supervisors by the Centre for guiding research scholars. The number of Ph.D. awardees of Anna University from its inception (1978–2022) is 17,340.

About the University Library

The University Library, which has been established in the year 1978 gained autonomy in December 2000. It is housed in a three-storeyed Building located on the eastern side of the main campus. The total area of the Library building is about 4122 sq.m. 30 video cameras are placed at strategic points in the library for surveillance. The MIT campus also has a library of area 1256 sq.m. Around 10,157 registered users are in access to the library. Many knowledge-based services like Reference, Bibliography, MALIBNET services, DELNET, Reprography, Internet browsing and e-services are provided by the library for its users.

CHIEF PATRON
Dr. R. Velraj, Hon’ble Vice-Chancellor, Anna University, Chennai

Dr. K. Soundaranayaki

Programme Outcomes
This workshop aims to:

- Offer support to research scholars in academic research and publish research articles in high-quality journals.
- Encourage the optimum usage of the e-Resources like Web of Science™ and EndNote available to the end-users.
- Enable researchers/faculty to use digital platforms more effectively in their research workflow.
- Help researchers/Supervisors understand concerns and levels of penalties regarding plagiarism

Instructions to Participants
This online workshop is for research scholars and faculty members from all the Four Campuses, Constituent Colleges and Affiliated Institutions of Anna University. The sessions of the workshop will be held online. The link will be shared with all the registered participants. There is no registration fee for participation.

The candidates attending the workshop should register for the programme using the following link.
