

ABOUT THE INSTITUTION

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. Anna University is of the affiliated type and is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE). With proven capabilities both in academic and research areas, Anna University was able to impart quality and excellence in Technical Education. Anna University has four regional campuses at Coimbatore, Madurai, Tiruchirapalli and Tirunelveli to sphere head the academic activities throughout the state.

ABOUT THE INSTITUTION

Anna University Regional Campus Coimbatore was established in the year 2008 and offering UG, PG & Research Programmes in the disciplines of Engineering, Technology, Science and Management. This campus is situated in the foot hills of Western Ghats in the industrially advanced city of Coimbatore. This campus is a green campus which provides accommodation for 350 students in its hostel.

This Campus offers 4 UG Programmes and 7 PG Programmes. At present there are 461 students pursuing their UG & PG programmes and 120 scholars are pursuing their research in different disciplines. In the past 10 years of service, Campus has produced around 3700 Graduates, 5550 Post Graduates and more than 100 Research Scholars with high standard.

ABOUT THE DEPARTMENT

The Anna University, Regional Campus, Coimbatore is functioning at Maruthamalai Main Road, Coimbatore. The Department of Electronics and Communication Engineering was established in the year 2007. The Department offers B.E – ECE, M.E – Communication Systems and Ph.D in full time mode. The Department is equipped with excellent infrastructure and state-of-the-art equipment to explore the technological challenges in the areas of Electronics, Communication Networks, and VLSI Design, Signal Processing, ASIC Design, RF Design, Embedded / IoT applications and Digital System Design.

SPEAKERS

Experienced faculty members from IIT's, NIT's & Anna University will share their knowledge and enrich the learning experiences to enhance the wireless networks ideas.

ONLINE SIX DAY FDTP

ON

**ADHOC AND
WIRELESS SENSOR NETWORKS
(EC8702)**

07th - 12th, JUNE 2021

REGISTRATION FORM

CO-ORDINATORS
