

ABOUT THE INSTITUTION

University College of Engineering Ariyalur (UCEA) is a Constituent College of Anna University Chennai which was established during the year 2008 to provide quality education to younger generation. The campus is located at kathankudikadu Village, Vilankudi (Adjacent to Ariyalur to Jayakondam state highway road) in Ariyalur District. The College offers five undergraduate Courses in the field of Engineering and Technology. The best of the facility are made available for the students which include excellent infrastructure, State of the art laboratories and an excellent library to ignite younger brains. With dedicated faculty member and committed supporting staffs, the institution always look lively with full of academic, Research, Co-curricular and extra curricular activities.

ABOUT THE DEPARTMENT

The Electrical and Electronics Engineering Department of the institution has been functioning right from the year 2009. The department is endowed with well qualified experienced, dedicated and committed faculty and very high skilled supporting staff. The department is equipped with very advanced and sophisticated equipment to satisfy the latest training needs of the

student and also to meet the research and consultancy needs of the department.

Organizing workshops to the field engineers, conducting seminars on latest developments and arranging expert lectures for the benefit of students is a regular feature in the department. Apart from giving their best in academic, the students of the department are encouraged to participate in Co-curricular and extra curricular activities.

PROGRAMME OBJECTIVE

This faculty development programme is intended to provide a platform for upgrading the knowledge of faculty members in the area of circuit analysis and problem solving techniques. However the main focus of content delivery will be based on the B.E. (EEE) Syllabus of Anna University with hands on training.

TARGETED AUDIENCE

The course of the FDTP is open to faculty members from Anna University affiliated Engineering Colleges.

RESOURCE PERSONS

Experts from Anna University / NITs / Government Engineering Colleges and reputed industry.

COURSE TOPIC

- Introduction to circuit theory
- Network reduction and circuit Analysis using Various Theorem
- Transient and steady state analysis of AC and DC Circuit
- Analysis of Three Phase Circuits with Balanced and Unbalanced Loads
- Resonance and frequency Response
- Quality Factor and Bandwidth Analysis

REGISTRATION DETAILS

- There is no course fee for the Programme.
- The number of participants is limited to 25 only.
- No TA/DA is admissible for the participants.
- Participants are selected on first come first serve basis and will be intimated through email only.
