FACULTY DEVELOPMENT PROGRAMME ON ENTERPRISE RESOURCE PLANNING
16/07/2014 to 18/07/2014

ORGANISED BY
DEPARTMENT OF MANAGEMENT STUDIES
ANNA UNIVERSITY
REGIONAL CENTRE: COIMBATORE
Mettupalayam Road, Jothipuram
Coimbatore – 641 047
ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. Anna University is of the affiliated type and is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICCE). With proven capabilities both in academic and research areas, Anna University was able to impart quality and excellence in Technical Education. Anna University has four regional centres at Coimbatore, Madurai, Tiruchirapalli and Tirunelveli to sphere head the academic activities throughout the state.

ABOUT COIMBATORE CITY

Coimbatore City (Kovai) is one of the top 10 fastest growing cities of India. Coimbatore is the district capital. There are more than 25,000 small, medium, large scale industries and textile mills in and around Coimbatore. It is an Industrial city and well connected by air to all major metros in India. Coimbatore is famous for Schools, Universities, Engineering Colleges, Medical, Management Schools, Textiles-Yarn, Knitted Garments, Handlooms, Textile Machinery, Motors, Pumps, Industrial goods, Cotton, Tea, and Software. It is also famous for its pleasant climate.

ABOUT THE DEPARTMENT

The Department of Management Studies was established in the year 2007. The Department offers M.B.A degree courses with different specializations like Finance, Marketing, Human Resource, Systems and Production in both full time and part time mode. The Department is equipped with excellent infrastructure and state-of-the-art equipment to meet the challenges in the areas of Business Administration, Supply Chain Management, Corporate Governing, Software Project Management and System Analysis and Designing.

Scope of the Faculty Development Programme

Enterprise Resource Planning (ERP) is the most sophisticated Information system used for operational and strategic decision making in the business. ERP as an enterprise-wide set of management tools that balances demand and supply, containing the ability to link customers and suppliers into a complete supply chain, employing proven business processes for decision-making, and providing high degrees of cross-functional integration among sales, marketing, manufacturing, operations, logistics, purchasing, finance, new product development, and human resources, thereby enabling people to run their business with high levels of customer service and productivity, and simultaneously lower costs and inventories, providing the foundation for effective e-commerce. This FDP helps the participants to learn and get specialized in open source ERP software.

WHO SHOULD ATTEND

Research Scholars, Faculty members of all Academic Institutions, Research Centre’s and Industrial Delegates.

RESOURCE PERSONS

Experts from Universities and Academic Institutions.

TOPICS TO BE COVERED

- Introduction to ERP.
- ERP solutions and functional modules.
- ERP implementation.
- Success and failure factors of ERP implementation.
- Extended ERP systems and ERP add-ons

All the topics will be covered with the hands on learning through exercises in the Open source ERP software.

REGISTRATION

Registration for the FDP can be done using the attached form or photo copy of the form. The completed form could be sent by post to the Coordinator. The Registration is restricted to first 40 participants only. For spot registration contact the coordinator.
