## ABOUT ISEA

Information Security Education & Awareness (ISEA), an initiative by Ministry of Electronics and Information Technology (MeitY). Human recourse development for safe, trusted and secure cyber space. The initiative focuses on building capacity in Information Security to meet the nation's growing demand for skilled professionals and strengthen its defense against cyber threats.

## ABOUT CSE & IST DEPARTMENTS

The Department of Computer Science and Engineering (DCSE) and Department of Information Science and Technology (DIST) provides world-class training and research opportunities, supported by state-of-the-art computing facilities. They foster active industry-institute collaboration by engaging in sponsored research projects and consultancy services, addressing real-world challenges. To advance expertise in the critical domain of cybersecurity, DCSE has established the Centre for Cybersecurity, promoting research, development, and specialized courses for various stakeholders. These initiatives enable students to excel academically and contribute to innovation and technological advancements.
