About the University

Bharathidasan Institute of Technology, Anna University-Tiruchirappalli has been established by the Government of Tamil Nadu at Tiruchirappalli - known as Rock Fort city, with rich cultural heritage and home to many reputed educational institutions. The institute is established with a view to impart quality student centered technical education, so as to produce proven technocrats and to strive hard for continuous development and improvement in learning, research and developmental activities. The institute also works towards fostering partnerships with Academic and Industrial experts to provide quality education and opportunities for entrepreneurial development by providing hands-on training.

Bharathidasan Institute of Technology has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country. Aiming at excellence, the institute offers PG and Research programmes in Nanoscience and Technology and UG/PG programmes in Biotechnology, Pharmaceutical Technology, Petrochemical Technology, Information Technology, Automobile Engineering, Mechanical Engineering, Computer Science and Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, and Civil Engineering and produces competent Engineers and Technologists.

About the Department

The Department of English was established in 2007. It is supported by a committed team of professors who aim at maintaining its standards of academic excellence over the years. It provides excellent training to the Engineering students to develop their proficiency in English. To meet the present demands of the liberalized global economy, communication skills and soft skills are also imparted to B.E/ B.Tech, M.C.A and M.B.A students to enable them to excel in their chosen fields.

Theme of the FDP

The aim of FDP is to focus on the holistic aspects of Teaching-Learning process, and honing of communication and soft skills. Its objective is to discuss and devise effective teaching pedagogies for teaching English Language and to master interpersonal communication techniques to achieve the goals successfully.
