## **Anna University, Chennai**

Anna University, Chennai is a leading technical University in India established on 4th September 1978 as a unitary type of University. The University has a well known technical institution in the city of Chennai namely, College of Engineering, Guindy (CEG), Madras Institute of Technology, Chrompet (MIT) offering higher education in Engineering and Technology.

## **Madras Institute of Technology (MIT)**

MIT offer courses like Aeronautical Engineering, Automobile Engineering, Electronics Engineering and Instrument Technology for the first time in our country. Now it also provides technical education in other engineering fields such as Rubber and Plastic Technology & Production Technology. It was merged with Anna University in the year 1978. Sixty years hence, while it continues to be a pioneer in courses that it gave birth to, it is already renowned for producing the crème de la crème of the scientific community in more nascent courses such as Computer Science and Information Technology. MIT has produced great scientist like Dr.A.P.J.Abdul Kalam, versatile genius like Sujatha and many more.

## **About the Department**

The Department of Computer Technology offers under graduate, post graduate and Research programmes in the field of Computer Science and Engineering. The Department has a team of distinguished and dedicated faculty members with specialization in wider research areas.
