About the Institute

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. Situated in the southern part of the city of Madras (Chennai), the University’s main campus extends over 100 hectares. The Anna University is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICCE). UGC have accredited Anna University with Five Star Status in 2002 which is the highest rating.

About the Department

Department of Computer Science and Engineering (DCSE), formerly known as School of Computer Science and Engineering, was carved out of the School of Electronics and Communication Engineering in September 1987. DCSE function as one of the University Department having academic autonomy of having its own syllabus and curriculum. It offers undergraduate, postgraduate and research programmes in various disciplines of Computer Science & Engineering. The Department functions under the Faculty of Information and Communication Engineering. Dr. T.V. Geetha is currently the Head of the Department. The Department promotes active industry-institute collaboration by identifying areas of interest and taking part in sponsored research projects and consultancy services. Some of the major research areas of the department are Networks, Database, Image Processing, Software Engineering and Cloud Computing.

Objective

The major focus of the FDP is on upgrading the teaching skills of faculties in the field of Computer Science. The Programme enables participants to develop competence in the field of Computer Science by uncovering the new technologies/efficient ICT to enhance the learning environment.

For Whom

The FDP is designed for computer science faculties working in Affiliated colleges, University departments and autonomous colleges.

Selection Considerations

Participants should have post-graduation in the field of Computer Science. Preference will be given to the young faculties. We wish to limit the number of participants in this FDP as 25 (Twenty Five), in order to give a fair chance to everyone to interact with the resource persons and benefit. Hence, selection will be done based on the above criteria, following a first-come-first-serve basis.

Certification

Participants who complete the programme satisfactorily will be awarded a certificate of participation. Participation certificates will be issued by the Centre for Faculty Development, Anna University, Chennai - 25 to the participants who attend the entire programme.

Application Procedure

The enclosed application form should be filled in by the applicant and it should be duly signed by the sponsoring authority and sent to the mailing address before the due date. Also e-mail the scanned copy of the application form to the co-ordinator.

Last date for receiving completed application forms: June 12, 2014.
Decisions regarding selection to the programme will be communicated to the applicants by June 16, 2014.
Accommodation need to be arranged by the participants only.
