Melpakkam, Tindivanam - 604001.

ABOUT THE COLLEGE

University College of Engineering Tindivanam (A Constituent College of Anna University, Chennai) has been established by the Government of Tamil Nadu in the year 2008. Our college offers UG courses B.E. Civil, CSE, ECE & B.Tech. IT. This campus is the place for budding engineers to improve their technical and innovative skills. It also provides a great support to technical education by bringing the experts from various disciplines. Most of the staff members are doctoral holders in their relative fields.

ABOUT THE DEPARTMENT

The Department of Information Technology was established in the year 2008. The aim of the department is to provide a quality education to the youngsters so that they can contribute substantially in the development of new technology and serve the nation. Our faculty members are involved in research work in the fields of Network Security, Image Processing, Data Mining, Soft Computing, etc.

ABOUT THE FDTP

The objective of this programme is to provide in depth focus on technology those aides in the creation, maintenance and development of web based applications. This program will provide an opportunity to the participants to get knowledge about languages and frameworks, data storage mechanisms, services and products to allow us to create platforms and applications for the web.
