

REGISTRATION FORM

FACULTY DEVELOPMENT TRAINING PROGRAMME
ON
ENVIRONMENTAL SCIENCE AND ENGINEERING
(GE 6351)

16th JUNE, 2017 – 23rd JUNE, 2017

1. Name :
2. Age & DOB :
3. Designation :
4. Institution :
5. Institution affiliated to Anna University: Yes/ No
6. Address for Communication :

7. E-mail address :
8. Phone No. (with STD code)

Office :
Residential :
Mobile phone :
9. Educational Qualifications :
10. Professional Experience (in years)
Teaching : Industrial :
11. Subjects taught in last one year:

DECLARATION

The information provided by me is true to the best of my knowledge. I agree to abide by the rules and regulations governing the FDTP. If selected, I shall attend the program for the entire duration. I also undertake the responsibility to inform the coordinator in advance in case I am unable to attend the course.

Date :

Place:

Signature of the Applicant

SPONSORSHIP

Mr./Ms./Dr. _____

is an employee of our Institute / Organization and is hereby sponsored for the above FDTP. He / She will be permitted to attend the program, if selected.

Date :

Place:

Signature & Seal of the Sponsoring Authority

ADDRESS FOR COMMUNICATION

The Coordinators,
FDTP on GE6351 Environmental Science and
Engineering
Department of Chemistry, CEG Campus,
Anna University,
Chennai – 600 025.
Email : fdtppevs2017@gmail.com
Phone: 044-22358657/ 8674

SEVEN DAYS FDTP

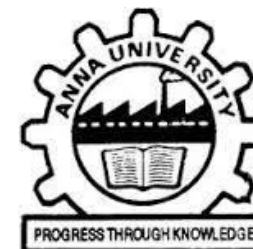

ON

GE6351 - ENVIRONMENTAL
SCIENCE AND ENGINEERING
(16.06.2017 to 23.06.2017)

Coordinators

Dr. G.R. Rajarajeswari

Dr. Keerthi

Sponsored by

**Anna University
Chennai**

Organized by

Department of Chemistry,
CEG, Anna University

ABOUT ANNA UNIVERSITY:\

Anna University was established on 4th September, 1978 as a unitary type University. It offers higher education in the fields of Engineering, Technology and Applied Sciences, relevant to the current industrial and societal needs. The University has established research collaboration with many world class Institutions in various countries.

ABOUT THE DEPARTMENT

The Department of Chemistry is located at the College of Engineering, Guindy campus of Anna University, Chennai. Since 1975, the Department has been offering M.Sc. (Applied Chemistry) and Ph.D. programs. In addition, Applied Chemistry courses for the various B.E. / B.Tech. programs are being offered by the Department. M.Phil. (Chemistry) programme was started in 1980 and M.Tech. (Polymer Science and Engineering), as an inter-disciplinary programme, in 1995.

All the Faculty members are actively involved in research in the thrust and emerging areas such as Catalysis, Polymer and Nanocomposite Materials, Environmental chemistry, Biocatalysis, Corrosion Science and Protective coatings. About one hundred Ph.D. Scholars (Full-Time & Part-Time) are currently pursuing research in these thrust areas. The Department also has sponsored research projects with funding from various agencies such as DST, CSIR, UGC, DRDO, BRNS, MOEF, ISRO, ICMR, CTDI-Anna University, Chennai and AICTE. Many faculty members visit Universities abroad under exchange programmes and as visiting faculty and visiting fellows. Many of the faculty members have also authored reference books and text books on Engineering Chemistry, Applied Chemistry, Analytical Chemistry, Practical Chemistry and Environmental Science. About 75 research papers are published every year in International journals of repute.

The Department has analytical Instrumentation laboratories with the state-of-art analytical equipments such as GC, GC-MS, HPLC, UV-Visible Spectrophotometer, IR, FTIR, TOC, TGA, DSC and DTA, UVDRS, AAS and UTM. The Department is also the recipient of funds under the UGC Departmental Special Assistance Programme. The Department is periodically organizing Summer/Winter programmes, continuing education programmes, refresher courses and workshops for teachers from colleges, higher secondary schools and research scholars. Industrial consultancy and testing projects are also being undertaken by the Department.

ABOUT THE PROGRAM

The objective of this FDTP in Environmental Science and Engineering is to provide a platform for the young faculty to interact with expert teachers at the University level & eminent industrial researchers so as to enrich their knowledge in the field of environmental science and expose them to effective teaching practices.

The seven-day program aims at covering all the topics based on the five units of the course, **GE 6351 Environmental Science and Engineering**, viz.

- **Environment & Biodiversity**
- **Pollution and its control**
- **Natural Resources**
- **Climate change and Disaster management**
- **Social Issues**

Field trip to Effluent treatment plant will be arranged to provide in-depth understanding of theoretical principles in pollution control.

ABOUT REGISTRATION

Faculty working in the constituent colleges of Anna University, University Colleges of Engineering and Self-financing Engineering Colleges affiliated to Anna University can participate.

- ❖ No Registration fee.
- ❖ The number of participants is restricted to 25 only.
- ❖ No TA/DA will be paid.
- ❖ Accommodation will be provided on first come first served basis for outstation participants.

Scanned copy of duly filled in Registration form may be sent to the Coordinators by e-mail (fdtpevs2017@gmail.com) on or before **6th June 2017**.

SELECTION

- Participants are selected on first-come first-served basis.
- Priority will be given to Assistant and Associate Professors

ORGANIZING COMMITTEE

CHIEF PATRON : Vice-Chancellor,
Anna University,
Chennai

PATRONS : Dr. S. Ganesan
Registrar,
Anna University,
Chennai

Dr. P. Narayanasamy,
Dean, CEG Campus,
Anna University, Chennai

CHAIR : Dr. K. Shanthy
Director, CFD

Dr. D. Sridharan
Addl. Director, CFD

CO-CHAIR : Dr. A. Pandurangan
Head, Dept. of Chemistry

CO-ORDINATORS : Dr. G. R. Rajarajeswari
Dr. Keerthi

VENUE : Hall of 1960,
Department of Chemistry

IMPORTANT DATES:

Submission of Application : **06.06.2017**
Intimation of selection : **09.06.2017**
Confirmation by Participants : **10.06.2017**
