Kakuppam, Villupuram - 605 103

Tamil Nadu, INDIA.

AIM

The objective of this training programme is to give a broad exposure to Mechanical Engineering faculty members handling the course **ME6007-Composite Materials and Mechanics**, in Engineering Colleges affiliated to Anna University.

➤ To understand the fundamentals of composite material strength and its mechanical behavior. Understanding the analysis of fiber reinforced Laminate design for different combinations of plies with different orientations of the fiber.

➤ Thermo-mechanical behavior and study of residual stresses in Laminates during processing. Implementation of Classical Laminate Theory (CLT) to study and analysis for residual stresses in an isotropic layered structure such as electronic chips.

ELIGIBILITY

Faculty members who are working in the Department of Mechanical Engineering from Constituent Colleges / Affiliated Colleges of Anna University.

HOW TO APPLY

The completed application form duly signed by the competent authority to be sent to the mailing address on or before **18th May 2017**. Scanned copy of the application may be sent through E-mail is also accepted. (**ucevfdpmec1@gmail.com**)

PROGRAMME CERTIFICATES

The participation certificates will be issued to the candidates who attend the entire programme (by the Center for Faculty Development, Anna University, Chennai).

REGISTRATION FEE

There is no registration fee for this programme. No TA/DA will be paid. Accommodation will be provided at UCEV Hostel subject to availability.

ABOUT THE INSTITUTE

University College of Engineering, Villupuram, a Constituent College of Anna University was started in the year 2008. The College offers five Under Graduate courses and a Post Graduate course in the field of Engineering and Technology. The College is situated at Kakuppam, Villupuram town with an extent of 17.5 acres which includes excellent academic building, hostels, mess and canteen. The college is well equipped with smart lecture halls, spacious conference halls, necessary laboratories and advanced equipments for research and academic activities. The students from different parts of Tamilnadu with different background are selected on the basis of merit through TNEA, conducted by Anna University.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering provides strong background to Engineering Graduates to cope up with the needs of emerging technology at National and International levels. The Department is the pioneer in offering under graduate course in **Mechanical Engineering** and post graduate course in **Internal Combustion Engineering (FT &PT)** besides Ph.D. programme in the areas of Thermal Sciences and Manufacturing Engineering.

Venue:

**Mini Conferance Hall,
Dept. of Mechanical Engineering
University College of Engineering, Villupuram.**
