About the Institution

University College of Engineering Panruti, a constituent college of Anna University, was started in the year 2008. The College offers five Under Graduate Full Time courses in English medium and two Under Graduate Full Time courses in Tamil medium respectively. The college is situated at Panikankuppam, Panruti Town with an extent of 25 acres which includes excellent academic building, hostels, mess and canteen. The college is well equipped with smart lecture halls, spacious conference halls, necessary laboratories and advanced equipment for research and academic activities. The students from different parts of Tamilnadu with different backgrounds are selected on the basis of merit through TNEA, conducted by Anna University.

About the Department

The Department of Electronics & Communication Engineering was established in the year 2009 with the vision of developing the department as a Centre of Excellence in R&D, in the field of Electronics and Communication Engineering and makes the students blossom into meritorious and self-disciplined engineers by hard work.
