**Call for Papers**

Participants are invited to submit their original research papers / findings of presentation in the following areas but not limited to:

- Parallel Computing & Distributed Systems
- Network Security
- Software Testing
- Cloud Computing
- Data Mining
- Image Processing
- Ubiquitous Computing
- Wireless Sensor Networks
- Open Social Networking
- Mobile Computing
- Artificial Intelligence & Neural Networks
- Web & Cyber World

Submit the full paper to: ncicit14@gmail.com

**Format of Papers**

Participants are invited to send their papers in MS Word Document file in IEEE format along with the following criteria.

- Font Type: Times New Roman
- Title of Paper: 14 point Bold
- Sub Headings: 12 point Bold
- Contents: 12 point
- Line spacing: 1.5 lines
- Figure Caption: 10 point Bold
- Table Caption: 10 point Bold
- No. of pages: maximum 6 with A4 Size
- Margin: Left 1.5” Others 1”

**Important Dates**

Last Date for Submitting Full Paper: 23.03.2014
Intimation of Selection: 28.03.2014

**Declaration**

I……………………………………………….. agree to abide by the rules and regulations of the National Conference. The information provided herewith is true to the best of my knowledge.

Head of the Institution
About the Institution
Anna University - BIT Campus, Tiruchirappalli, has been established by the Government of Tamil Nadu as a ‘Technical Institution’ at Tiruchirappalli - known as Rock Fort city, with its rich cultural heritage and home to many reputed educational Institutions. The Institution is established with a view to impart quality student centered technical education, so as to produce proven technocrats and to strive hard for continuous development and improvement in learning, research and developmental activities. Teaching, Research and Extension services are carried through the Departments and Centers of the Institution. The Institution also works towards fostering partnerships with Academic and Industrial experts to provide quality education and opportunities for entrepreneurial development by providing hands-on training in the frontier areas. BIT has carved a niche for itself in providing technical education in the disciplines that are unique in our country. Aiming at excellence, the Institution offers UG, PG and research programmes in various disciplines.

About the Department
The Department of Computer Science & Engineering offers B.E. Computer Science & Engineering, M.E. (Software Engg), M.E. (Pervasive Computing) and M.E (Computer Science Engg). The Department has dedicated and qualified faculty members besides well equipped laboratories. Research at this Department is nurtured through various sponsored programmes funded by national organizations.

About the Conference
The aim of the National Conference on Intelligent systems, Computing and Information Technology – NCICIT’14 is to create forum to researchers, academicians, practicing professionals to share the recent trends and ideas in the field of Computer Science Engineering as well as Information Technology. All the topics are aimed to the state-of-art of various researches, observation and results, sharing the findings and communicating the latest conformations to the students’ community and industrialists.
