

Fifth International Conference on
Advances in Industrial Engineering Applications

ICAIEA 2026

17-19 December 2026 | Hybrid Mode | Anna University, Chennai

The **Department of Industrial Engineering, College of Engineering, Guindy, Anna University**, is organizing ICAIEA 2026 from 17 to 19 December 2026 in hybrid mode. The conference will provide an international platform for researchers, academicians, industry professionals, research scholars and students to exchange knowledge and present advances in Industrial Engineering.

The conference theme is **Innovations and Sustainable Practices in Industrial Engineering**. Discussions will highlight intelligent, sustainable, resilient and human-centred approaches across manufacturing, services, healthcare, logistics and public systems.

Conference Scope

Topics include Artificial Intelligence, Machine Learning and Deep Learning, Big Data Analytics, Operations Research, Optimization, Industry 4.0, Manufacturing Systems, Supply Chain and Logistics Management, Quality Engineering, Ergonomics, Safety Engineering, Sustainable Operations, Circular Economy, Healthcare Management and other related areas.

Call for Abstracts

Original and unpublished abstracts of up to **250 words** are invited. Full papers will be requested only after abstract acceptance. Accepted abstracts will be included in the conference proceedings.

Important Dates

Date	Milestone
20 October 2026	Abstract submission deadline
1 November 2026	Acceptance notification
10 November 2026	Early-bird registration deadline
20 November 2026	Full-paper submission deadline
17-19 December 2026	Conference

Awards

- **Best Paper Award in Each Track**
- **Best Thesis Award for Doctoral Thesis**

Venue and Submission

Venue: Department of Industrial Engineering, CEG Campus, Anna University, Chennai - 600 025, India

Abstract submission: [Submit through the official Google Form](#)
