

UNIVERSITY LIBRARY ANNA UNIVERSITY, CHENNAI-25

Author Workshop on *“Impact of IEEE Publications on your Research and Writing Quality Technical Papers”*

About the Event:

The University Library, Anna University jointly with IEEE India organising Author Workshop on *“Impact of IEEE Publications on your Research and Writing Quality Technical Papers”*. The workshop will help the researcher to gain insight into the types of academic publications available, the processes involved in getting their work published and the expectations that editors have from authors and their work. Researcher will gain an in-depth knowledge of how to pitch & position their papers and identify niche publications best suited to meet their needs.

Topics

- Strengthening your current research
- Assisting scientists in finding relevant research
- Finding relevant journals related to an area of research with the help of the IEEE publications
- What editors look into your manuscript
Paper structure and organization
- Ethics and avoiding misconduct pitfalls
- Free tools available on Authorship from IEEE
