ADVISING COMMITTEE

Mr. V. Ganesh, Vice President, Astro Tech Steel Industries  
Mr. P. Vimal Kumar, Sr. Vehicle Engineer, Ford India Ltd  
Dr. R. Paneerselvam, Professor, Pondicherry University  
Dr. G. Srinivasan, Professor, IITM, Chennai  
Dr. M.S. Gajanand, Assistant Professor, IIM, Trichy  
Dr. R. Jeyappa, Professor, NIT, Trichy  
Dr. P. Shahabudeen, Former HOD, DOIE, AU, Chennai  
Dr. S. S. Rajendra Boopathy, Professor and Head, Anna University  
Dr. M. Omkumar, Associate Professor, Anna University  
Dr. S.R. Devadasan, PSG College of Technology, Coimbatore  
Mr. Pichandi, TCS  
Mr. Ramesh J, Senior Officer, TIIIC, Cuddalore  
Mr. C. Venugopal, MD & CEO, Krysalis

COMMITTEE

Patron : Dr. M.K. Surappa,  
Vice Chancellor, Anna University.

Co-Patron : Dr. L. Karunamoorthy,  
Registrar, Anna University

Dr. T.V. Geetha,  
Dean, CEG Campus.

Chair : Dr. T. Ramesh Babu,  
Professor and Head, DoIE.

Co-Chair : Dr. T. Paul Robert,  
Professor, DoIE

Convenor : Dr. A. Gnanavelbabu,  
Associate Professor, DoIE

Coordinators : M. Shanjay,  
P.S. Swesternika

Treasurer : Mrs. V. Kamala, Asst, Prof.

Organising Committee : Dr. R. Raju, Prof.  
Dr. R. Dilli Babu, Prof.  
Dr. M. Rajmohan, Prof.  
Dr. R. Baskaran, Prof.  
Dr. K. Padmanabhan Panchu, Asst Prof.  
Mrs. V. Kamala, Asst Prof.  
Mrs. K. Lakshmi, Teaching Fellow,  
Mr. P. Venkateswaran, Teaching Fellow,  
Mr. S. P. Bhaarath, Teaching Fellow,  
M. Muthumani, Gen. Secretary  
V. S. R. Abeitha, Lady Gen. Secretary  
T. Manojkumar, Student Treasurer  
B. Akkash Tech support  
U. Avinash Tech support

AWARDS

Papers presented in the Symposium will be evaluated by the team of faculty members and industry experts. Best papers that are presented will be given Cash Awards and Certificates.

PUBLICATIONS

A printed book of abstracts and soft copy of full papers will be provided to all the registered participants.

VENUE: Department of Industrial Engineering, CEG.

DATE: March 5-7, 2020

MAIL ID: ieindcon20@gmail.com

SOCIETY OF INDUSTRIAL ENGINEERS  
DEPARTMENT OF INDUSTRIAL ENGINEERING  
ANNA UNIVERSITY, CHENNAI - 600 025

Presents

TECHNICAL SYMPOSIUM 2020  
(Concurrent event of INDCON)  
March 5-7, 2020

THEME: Towards Industrial and Service Excellence

As Industrial Engineering is an interdisciplinary programme, We Welcome participation from all branches of Engineering and Management.

VENUE: Department of Industrial Engineering, Anna University

MAIL ID: ieindcon20@gmail.com
ABOUT DoIE

College of Engineering Guindy (CEG), Anna University, Chennai is a well-known Technical Institute in India offering higher education and research opportunities in a wide array of fields, prominently in Engineering, Technology and Management. The Department of Industrial Engineering (DoIE) in CEG offers excellent research opportunities and encourages extracurricular activities for students. The department nurtures Industrial Engineering students by helping and guiding them to widen and enhance their knowledge levels and skillset.

ABOUT INDCON

INDCON, organized by the Society of Industrial Engineers is a National level Techno-management Symposium which is conducted every year in the month of March. Indcon is a student’s forum that provides a stage for the discussion of contemporary applications and research on the various topics of Industrial Engineering towards excellence in Industrial/Service applications. It provides a sound platform for students, faculty members, practicing engineers and research scholars to disseminate knowledge and enhance perception by presenting high quality content oriented papers.

IMPORTANT DATES

Abstract Submission Date: 28th Feb 2020
Paper Submission Date: 3rd Mar 2020

TOPICS

- Applied Ergonomics
- Additive Manufacturing
- Automation
- Augmented & Virtual Reality
- Agri-Business Management
- Big Data Analysis
- Cognitive Engineering
- Cyber Physical System
- Design of Experiments
- Digital Manufacturing
- Energy Systems
- Environmental Science
- Facility Layout
- Finance, Marketing & Sales
- Healthcare
- Humanics
- Human Resource Factors
- Innovative Science Studies
- Inventory Management
- Industry 4.0
- Information Management
- Material Handling
- Mechanics-Solid, Fluid & Design
- Nano Technology
- Operations Management
- Quality Engineering
- Reliability Engineering
- Scheduling
- Simulation
- Smart Factory
- Supply Chain Management
- Strategy and Organisational Management
- Thermal Engineering 3D
- Printing Manufacturing
- And other Related Topics

CALL FOR PAPERS

The authors are invited to submit their extended abstracts of original unpublished work. The extended abstract should be in a word format of about 700 words. The extended abstracts are to be sent via e-mail only to ieindcon20@gmail.com. Full papers should be submitted only after the acceptance of extended abstracts. All the papers submitted will be blind reviewed by a committee of two or more experts.

REGISTRATION, TRAVEL AND ACCOMODATION

- Registration is free.
- Travel Expenses will be reimbursed to all the outstation participants (Maximum of 2 authors per paper)
- Accommodation will also be arranged for outstation participants.

GUIDELINES

- The participants are asked to register in INDCON official website.
- Preference will be given to the papers which are co-authored by a Faculty member.
- The length of the paper should not exceed 10,000 words and the abstract should not exceed 700.
