About Anna University.

Anna University was established in 1978 as a conglomerate of several leading technical institutions like CEG, ACT, MIT, and SAP Campuses. Named after the Former Chief Minister of Tamil Nadu, late Dr. C.N. Annadurai, it is a renowned institution of higher education in India and is known for its academic excellence, research innovation, and the production of highly skilled professionals in fields such as engineering, technology and management.

About Department of Chemistry.

Our department plays a vital role in shaping the future of chemistry by integrating fundamental knowledge with advanced applications in materials science, environmental chemistry, nanotechnology, and sustainable energy solutions. With a distinguished faculty, state-of-the-art laboratories, and a strong emphasis on interdisciplinary research, we strive to provide a stimulating academic environment.

About the Workshop

This workshop aims to create awareness about Intellectual Property Rights (IPR) among students, researchers and faculties enabling them to protect their ideas, research outputs and innovations effectively.
