

About CEG-ANNA UNIVERSITY

Established in 1794 as a School of Survey, College of Engineering Guindy (CEG) at present has 17 Departments and 17 Research Centres where research programs are offered. Throughout its history, CEG has championed innovation, evident in achievements like the launch of the microsatellite ANUSAT, showcasing its commitment to cutting-edge research and technological advancement.

About DCE-CEG

The Department of Civil Engineering (DCE) aims to impart technical knowledge and professional skills in civil and geoinformatics engineering through excellence in teaching, research and consultancy.

About IRS-DCE

The Institute of Remote Sensing (IRS) was established in 1982 by Anna University with the funds provided by the Government of Tamil Nadu. IRS is also functioning as State Remote Sensing Application Centre for the Government of Tamil Nadu.

Objectives of RCG-IRS

To familiarize Geodesy and its applications in the scientific community by Acting as the Regional Resource Centre for extensive support (laboratory, equipment, training, library, SW, etc.) to students, researchers and state government departments

Highlights of the SDP

- State of the art industry-oriented topics.
- Resource persons drawn from prominent industries and Academia.
- Hands-on sessions in the labs of Institute of Remote Sensing
- Demo & Interactive sessions along with Q&A by industry experts.

Benefits to participants

- Technical lectures skill for enhancement of industry readiness & hands-on sessions
- Participation certificate
- Registration kit
- Lunch & Refreshments

Who can apply

Students from third and final year UG programmes of University departments / constituent colleges of Anna university are eligible to apply

How to apply

Interested candidates should submit the application using the link given below.

<https://forms.gle/PhiBZ2XEQe6g2a6Y7>

- There is no registration fee for attending the SDP
- Selection will be based on first-come-first-served basis
- Max. No. of participants is restricted to 40

Programme Venue

Colin Mackenzie Auditorium
Ground Floor, Institute of remote sensing, CEG Campus,
Anna University,
Kottupuram,
Chennai – 600 025.

RUSA SPONSORED

3-DAYS Skill Development Programme

"Geodesy and advanced Mapping concepts"

15th-17th December 2025

Organized by

**Regional Centre for Geodesy (RCG),
Institute of Remote Sensing (IRS)
Department of Civil Engineering (DCE)**

**CEG Campus, Anna University
Chennai - 600 025**

Registration form

Name (in capitals):

Degree/Branch/Sem.....

Institution:

Address of Institution:

.....

E-mail:

Mobile No.:

Declaration

I declare that all the details furnished above are true to the best of my knowledge and I agree to abide by the rules and regulations of the programme.

Date: Signature of the Applicant

Certificate from the Institution

Mr./Ms./.....,
Student of..... (Branch/year) of our institution is hereby permitted to attend the 3-days SDP on **"Geodesy and advanced Mapping concepts"**, if selected.

Signature of the Head of institution
with seal

INFORMATION TO THE APPLICANTS

- A Scanned copy of registration form duly signed by HoD should be uploaded along with the google form.
- The selection intimation will be communicated only through e-mail.
- SDP will be conducted in physical mode only.
- Attendance is compulsory on all 3 days to obtain the certificate.
- Outstation participants have to make their own arrangements for travel and stay. Working lunch and refreshments will be provided all 3 days.
