IEEE STUDENT BRANCH

ANNA UNIVERSITY
REGIONAL CENTRE – COIMBATORE
Mettupalayam Road, Jothipuram
Coimbatore – 641 047
ABOUT THE UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. Anna University is of the affiliated type and is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE). With proven capabilities both in academic and research areas, Anna University was able to impart quality and excellence in Technical Education. Anna University has four regional centres at Coimbatore, Madurai, Tiruchirapalli and Tirunelveli to sphere head the academic activities throughout the state.

ABOUT THE DEPARTMENT

The Coimbatore Regional Centre is functioning at Mettupalayam Road, Jothipuram, Coimbatore. It has nine PG departments and it offers twenty one PG Programmes. The Department of Electronics and Communication Engineering was established in the year 2007. The Department offers M.E degree courses in Applied Electronics, Communication Systems, Embedded System Technologies and VLSI Design both full time and part time mode. The Department is equipped with excellent infrastructure and state-of-the-art equipment to explore the technological challenges in the areas of Electronics, Communication Networks, VLSI Design, Signal Processing, ASIC Design, RF Design and Digital System Design.

SCOPE OF THE WORKSHOP

This one day workshop will introduce LaTeX for Windows. No prior knowledge of LaTeX will be assumed. LaTeX is an extremely powerful mark-up language for creating structured documents. It is particularly well-suited for documents containing mathematics, but can be used for any document. Those whose publications involve a large number of mathematical equations often use LaTeX rather than word processing package. It is the standard writing tool for most research in the mathematical sciences. LaTeX provides a facility for pdf output also. Remarkably, LaTeX is freeware

WHO SHOULD ATTEND

The Faculty members, Research scholars and PG students from Engineering Colleges who have interest in publishing technical papers, thesis writing and presentation in LaTeX format.
