

ABOUT THE INSTITUTION

University College of Engineering Ramanathapuram was started in the academic year 2008–2009 under the control of Anna University, Tiruchirapalli and then handed over to Anna University of Technology, Madurai. Now, this campus is running as one of the constituent colleges of Anna University, Chennai. Since its inception, the campus has been registering steady progress and it currently offers five undergraduate (full – time) programme in major branches of engineering. The college is actively involved in various research projects. It is situated in Pullangudi, about 7 Km from Ramanathapuram town and about 7 Km from Devipattinam.

ABOUT THE DEPARTMENT

The Department of Mathematics was started in 2008 during the inception of the Institution. The department has a team of highly qualified and dedicated and sincere faculty members. The department has two doctorate and three faculty members presently pursuing the doctoral programme. It offers courses for B.E., students of all branches. It provides strong mathematical foundation, analytical and computational skills to young engineering graduate students which helps them to fulfill the needs industry/research establishments.

ABOUT THE PROGRAMME

- This faculty development programme aims to provide opportunity for teachers working in the affiliated Engineering colleges of Anna University for teaching and enhancing their knowledge in the area of Linear Algebra and Partial Differential Equations.
- The main focus of this course will be on Vector spaces, Inner product spaces and Linear transformation and diagonalisation as per the syllabus of Anna University, Regulation 2017.
- Upon completion of this FDTP, the participants can able to understand both theoretical and problems involved in Linear Algebra and Partial Differential Equations.

COURSE CONTENT

This programme covers the following important aspects of Linear Algebra and Partial Differential Equations:

- Fourier Series
- Applications of Partial Differential Equations
- Vector Spaces
- Linear Transformation

RESOURCE PERSONS

Sessions will be handled by the experts from leading Universities/Institutions.

ELIGIBILITY CRITERIA

The course is open to all the teaching faculties of Department of Mathematics working in Anna University affiliated Engineering Colleges.

REGISTRATION

- Total number of participants is restricted to 30 nos.
- **No registration fee** for the training programme.
- Selection is based on first come first served.
- No TA and DA will be paid to the participants.
- Selected candidates will be intimated by e-mail only.
- Send the duly filled in Registration forms to the Co -ordinator(s) by post on or before 10.06.2019.
