ONE DAY NATIONAL LEVEL WORKSHOP
ON
NANOCOMPOSITE MATERIALS
11th MAR’2015

Co-ordinators
Dr G.Elatharasan
Dr P.C.Mukesh Kumar

Organized by

Department of
Mechanical Engineering
University College of Engineering
Pattukkottai
(A Constituent College of Anna University Chennai
Rajamadam 614 701, Thanjavur (Dt)
Ph: 04373 - 293301
Objectives:
The objectives of this workshop are to
i) Understand the basics of nano materials, the Difference between the behavior of bulk and nano materials.
ii) Enable the faculty members, research scholars and students to have the exposure on the nano composite materials, development,characterization, applications and challenges in engineering and research field.

About the Institution:
University College of Engineering Pattukkottai was formerly known as Anna University of Technology Tiruchirappalli Pattukkottai (AUTT-PKT) Campus established in the year 2009 at Rajamadam, Pattukkottai Taluk, Thanjavur district, TamilNadu, India. Now it is functioning as University College of Engineering as a constituent college of Anna University Chennai. University College of Engineering Pattukkottai offers Bachelor degree engineering courses in Mechanical Engineering, Civil Engineering (Full-Time and Part-Time), Electrical and Electronics Engineering and Electronics and Communication Engineering. It also offers two UG courses through Tamil medium such as BE - Civil Engineering and BE – Mechanical Engineering

TOPICS TO BE COVERED
1. Evolution of Nanocomposite Materials
2. Synthesis of Nanocomposite Materials
3. Characterization of Nanocomposite materials
4. Applications and Challenges of Nanocomposite Materials

SPEAKERS
- Experienced faculty members of Anna University, NIT.
- Experts from R & D organizations.
