**DEPARTMENT OF INFORMATION
SCIENCE AND TECHNOLOGY
CEG CAMPUS ANNA UNIVERSITY,
CHENNAI – 600 025**

ABOUT THE DEPARTMENT

About the University

Anna University was established on 4th September 1978 as a unitary type of University. It offers higher education in Engineering, Technology and allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities. Situated in the southern part of the city of Madras (Chennai), the main Campus of University extends over 100 hectares next to the Adyar River on the north and Raj Bhavan on the south. The Anna University is of the affiliated type is a member of the Association of Indian Universities, the Association of Commonwealth Universities and Partner of UNESCO International Center for Engineering Education (UICEE). UGC have accredited Anna University with Five Star Status in 2002. With proven capabilities both in academic and research areas, Anna University was able to receive this honour for a period of five years for excellence in Technical Education.

About the Department

Anna University Chennai is a leading technical University in India located at Chennai, Tamil Nadu. The Department of Information Science & Technology are carved out of the Department of Computer Science and Engineering in May 2010. The Department functions under the Faculty of Information and Communication Engineering. Dr. S. Sridhar is currently the Head of the Department. IST functions as one of the University Department having academic autonomy of having its own syllabus and curriculum. It offers undergraduate, postgraduate and research programmes in various disciplines of Information Technology, Multimedia & MCA Degree programme.
