INSTITUTE

Anna University was established on 4th September 1978. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. It has four regional offices at Tirunelveli, Trichirapalli, Coimbatore and Madurai to spearhead the academic activities throughout the state.

ABOUT NCCC

Computing and Communications have become the basic necessity of human life. Our 1st National Conference on Computing and Communications focuses on the emerging technologies in various domains. It helps in presenting technological advancements and research results.

BENEFITS OF NCCC

It is an arena for exchanging ideas and discussion of various research. It also acts as an opportunity to listen and interact with eminent speakers from academia and industry. It helps in keeping up-to-date with technologies.

LOCATION

The campus is located in Tirunelveli close to New Bus Stand on the NH-7 road and is easily accessible by buses. Tirunelveli is known for its educational institutions, many of which are located at Palayamkottai (east of Tirunelveli). For this reason, Palayamkottai is known as the "Oxford of South India".

CALL FOR PAPERS

1st National Conference on Computing and Communications (NCCC 2014) is the premier forum for the presentation of new advances and research results in fields of computing and communications. This conference will bring together academicians, leading researchers, engineers and scientists around the country. Topics of interest for submission include but not limited to:

- Mobile Computing
- Data Mining
- Soft Computing
- Image Processing
- Wireless Communication
- VLSI Technology
- Cryptography
- Network Security

PAPER SUBMISSION

Manuscript (Should be original & not previously published either in full or in part or presented even in a more or less similar form) covering unpublished research in Computing & Communications are invited. Absolutely NO CUT & PASTE from previous publication (of text and/or figures or tables or any illustrations) will be permitted. Each submitted manuscript will be evaluated by one or more reviewer(s) on accuracy, originality of its technical/scientific contribution, quality and relevance. A manuscript may be accepted, returned for revision or rejected.

PUBLICATION

All accepted papers will be published in the NCCC’14 Conference Proceedings. Also all selected papers will be published in a special volume of reputed journals with final review.
