COORDINATORS
Dr.P.Selvamani & Dr.S.Latha

ORGANIZED BY
DEPARTMENT OF PHARMACEUTICAL TECHNOLOGY
ANNA UNIVERSITY, BIT CAMPUS
TIRUCHIRAPPALLI – 620024, TAMIL NADU

Centre for Excellence in Nanobio Translational REsearch (CENTRE)
Bharathidasan Institute of Technology (BIT) has been established as a Technical Institute under Anna University, Chennai by the Government of Tamil Nadu and recently sponsored with Technical Education Quality Improvement Programme (TEQIP) grant. It offers a variety of UG, PG and research programmes with an approximate of 3000 students in the campus. The Institution works towards developing partnerships with industries and academic institutes to provide quality education and opportunities for entrepreneurial development. The main objective of the institute is to generate a horde of highly creative professionals, who can contribute not only to the Human Resource Development and also to Nation building exercise. BIT has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country with a high level of competence since 1999.

**DEPT. OF PHARMACEUTICAL TECHNOLOGY**

Our Department offers a unique B.Tech in Pharmaceutical Technology, M.Tech in Biopharmaceutical Technology, M.S. (By research) and Ph.D. Programme in order to cater the technical human resource needed for the Pharmaceutical and Chemical Industries. The Department established a Centre for Excellence in Nanobio Translational Research (CENTRE) and excels in research activities through many centrally sponsored research projects to a tune of ~Rs 9.00 Crores.
