NOTIFICATION

Dated: 01.02.2021

The EMMRC (Educational Multimedia Research Centre), Anna University, Chennai was established by the University Grants Commission (UGC) in 1985 with an objective of disseminating knowledge through media on various fields to the under resourced learning community in our country.

At present there are twenty-two EMMRC's functioning in various Universities and colleges of the country to serve this purpose. EMMRC Chennai is one of the centers which has produced and contributed significantly doing various activities on various topics as follows

- 1) **Applied Sciences, Allied Physical and Chemical Sciences (Under Graduate & Post Graduate) subjects for MHRDs Swayam Prabha DTH (Direct-to-Home) Channel broad cast in channel no 10.**
- 2) **MOOCs (Massive Open Online Course) for Under Graduate and Post Graduate Arts and Science degree course**
- 3) **Documentary films on various topics related to education**

The EMMRC Chennai is Inviting highly experienced , knowledgeable and passionate experts from various Colleges, Universities and other educational institutions in and around Tamilnadu to participate as **Content expert and Subject coordinator to deliver lectures or conduct courses** for the programmes.

We are also looking for experts who will be able to **translate Scientific content into Tamil** either by themselves or using Tamil Translation software available at the center.

The EMMRC has well equipped studio with other post production facilities and creative team to assist with experts for preparing additional multimedia inputs like PPT, Graphics, Animation, etc.

Remuneration will be paid as per the Consortium for Educational Communication [CEC] norms.

If interested please email your resume to emmrchennai@annauniv.edu and clearly mention the topic of the course/lectures and you will be contacted if suitable after scrutiny of applications.

Thanking you,

Best Wishes,

(Anuradha)
