

Department Of Medical Physics
ANNA UNIVERSITY

Chennai-600 025, India.

Email: durgalakshmi@gmail.com. Phone No. : 09500199952.

Date: 07.06.2017

Applications are invited from eligible candidates to work in a research project entitled "Fabrication of Silica Based Biomaterials From Nature Waste – Towards Low Cost Bio products." funded by Department of Science and Technology (DST – India). The duration of the fellowship is for three years and same may be extended based on performance.

S.No.	Designation and Qualification	Emoluments per month
1.	Project fellow M.Sc Physics/Material Science/ Medical physics/ Nanoscience M.Tech Nanoscience and Nanotechnology (with First class in both UG & PG) -	Rs. 16,000 (consolidated)

Preferences will be given to the candidate having knowledge in Synthesis/Fabrication of nanomaterials and biosensor.

Interested candidates are requested to send their completed bio-data, copies of the mark sheets, degree certificate, and other academic credentials to the following address on or before 30th June 2017.

Dr. D. Durgalakshmi

Principle Investigator
Assistant Professor
DST-INSPIRE Faculty
Department of Medical Physics
Anna University, Chennai – 600 025.

General Instructions:

1. Shortlisted Candidates will be called for interview after scrutinizing the applications.
2. Please note that no TA and DA will be paid for attending the interview.
3. The selection criteria would be as per the guidelines of Anna University.

Dr. D. Durgalakshmi
