

DBT-Supported
“Workshop on Chemoinformatics
and Systems Biology Approaches
for Drug Discovery”
(WCSBDD-2025)

6th – 10th January 2025

Organized By
Bioinformatics Centre (AU-BIC)
Centre for Biotechnology ,
Anna University, Chennai-25.

The DBT, GOI supported Bioinformatics Centre (AU-DBT-BIC) at Anna University focuses on development of research and manpower in the thematic area of Structural Informatics and Chemical Biology

About the Workshop

Chemoinformatics and Systems Biology are emerging fields for Drug discovery. This workshop aims to provide training to the participants in the areas of :

Chemoinformatics, Molecular Modeling, Molecular Docking, Molecular Simulations, Systems Biology and Machine Learning approaches for Drug Discovery using Open Source Software Tools.

The workshop will comprise lectures, demos, and hands-on sessions.

Target Participants

Faculty members from Colleges interested to pursue research in the areas of Bioinformatics and Drug Discovery.

Postdoctoral Fellows and Research Scholars if slots available.

Registration Fee

The Registration Fee is Rs. 750/- (including 18% GST)

**** Participants are requested to make their own arrangements for Accommodation. Working Lunch will be provided.**

**** A participation certificate will be given to the participants who attend all the sessions of the Workshop.**
