TEQIP II Sponsored
Two Days Workshop
on Recent Trends in Renewable Energy Sources
(RTRES’ 13)

Registration Form

Name: ……………………………………………………

Department:…………………………………………...

Institution:………………………………………………

Address: ..................................................................
...........................................................................
...........................................................................
...........................................................................

Pin:……………………………………………………..

E-mail:………………………………………………..

Phone:……………………………………………….

Bank:………………………………………………...

Amount:………………………………………………

DD No. & Date:…………………………………………

Declaration

I……………………………………….. agree to abide by the rules and regulations of the Workshop. The information provided herewith is true to the best of my knowledge.

Place: Signature

Forwarded/Recommended

Signature with Seal

Head of the Institution

Invited Speakers
Dr. T. Senthil Kumar, BIT Campus, Trichy
Dr. S. Jaisankar, SLCE., Thanjavur
Dr. S. Suresh, NIT, Trichy
Dr. G. Kumarasan, CEG, Chennai
Mr. Azhagiri Pon, BIT Campus, Trichy

Participants
Engineering / Technology Students / Research Scholar from Universities / Institutes / Colleges. Total number of participants is restricted to 100.

Important Dates
Completed registration form accompanied by registration fee (DD) should reach on or before 18.10.2013. The selected candidates will be intimated by e-mail / phone on 21.10.2013.

Course Fee Details:

Registration Fee: Rs.200 per participant

The payment should be made by DD drawn in favour of “Dean, Anna University, BIT Campus, Tiruchirappalli” payable at Tiruchirappalli.

Organized by
Department of Automobile Engineering
Bharathidasan Institute of Technology
Anna University
Tiruchirappalli - 620 024.

Coordinators
Mr. Azhagiri Pon
Mr. N. Anandharajan
Mr. V. Lakshmanan
About the Institution

Anna University - BIT Campus, Tiruchirappalli, has been established by the Government of Tamil Nadu as a ‘Technical Institution’ at Tiruchirappalli - known as Rock Fort city, with rich cultural heritage and home to many reputed educational Institutions. The Institution is established with a view to impart quality student centered technical education, so as to produce proven technocrats and to strive hard for continuous development and improvement in learning, research and developmental activities. Teaching, Research and Extension services are carried through the Departments and Centers of the Institution. The Institution also works towards fostering partnerships with Academic and Industrial experts to provide quality education and opportunities for entrepreneurial development by providing hands-on training in the frontier areas. BIT has carved a niche for itself in providing technical education in the disciplines that are unique in our country. Aiming at excellence, the Institution offers UG, PG and research programmes in various disciplines.

Department of Mechanical and Automobile Engineering

The Department of Mechanical Engineering offers (i) B.E. Programme in Mechanical and Automobile Engineering, (ii) M.E. Programme in Thermal Engineering and Manufacturing Technology and (iii) Ph.D Programme in Mechanical and Automobile related areas. The Department has dedicated and qualified faculty besides good infrastructure for computing. Research at this Department is nurtured through various sponsored programmes funded by national organizations such as CSIR and DRDO.

About the Programme

Significance of Renewable Energy source is very important for a developing country. The galloping energy demand cannot be met by the conventional resources (coal, oil, etc.) alone. So, to get parity between the energy demand and the energy supply, renewable sources of energy have to be tapped. The Ministry of New and Renewable Energy (MNRE) has planned that 20% of the total electrical energy supply must be derived from all types of renewable energy sources.

This Workshop is to provide a platform for UG and PG students, researchers and faculties from various institutions and industries to interact and expand their knowledge in the area of renewable energy sources and also this programme will be helpful to strengthen the knowledge and update the recent trends in renewable energy. The course content is intended to provide an overview of recent advancements in energy engineering.

The objectives of the Workshop are to (i) enlighten the participants, (ii) highlight the research opportunities and (iii) make possible interaction between experts and participants, in the various aspects of renewable energy.

Topics to be covered

- Solar thermal – Flat Plate and Concentrating collectors.
- Performance of wind energy.
- Biodiesel – Application of Biomass Energy
- Tidal energy, wave energy, Fuel cell systems and OTEC cycle.

Organizing Committee

Chief Patron
Dr. M. RAJARAM, Ph.D
Vice Chancellor
Anna University, Chennai

Patron
Dr. S. Ganesan
Registrar
Anna University, Chennai

Chair
Dr. S. Muttan
Regional Director
Regional Center
Anna University, Tiruchirappalli

Co-Chair
Mr. P. Gopal
HOD
Dept. of Automobile/Mechanical Engineering,
BIT Campus, Anna University,
Tiruchirappalli

Coordinators
Mr. Azhagiri Pon
Mr. N. Anandharajan
Mr. V. Lakshmanan
Department of Mechanical Engineering
BIT Campus, Anna University,
Tiruchirappalli
